Proposed New Member

Maria R Calcagno has been proposed for membership with the classification of Insurance - Life by Cyndi Jeffers. If a member object to the new member proposal they must submit the objection in writing to club secretary Cyndi Jeffers (dcjeffers1@gmail.com) within the next two publications of the newsletter.

Awards:

Star Club: This award is given to clubs who have made donations to the Rotary Foundation averaging \$100/member. We have been a Star Club every year of our club!!!! which means we are in the ten year club recognition. Our minimum goal is to donate **\$2,500** and we are currently at **\$2,081**. If you have not already made your yearly donation please consider doing so soon.

Eradicator Club: This award is given to clubs who have made donations to Polio Plus (Polio Eradication) averaging \$40/member. Our minimum goal is to donate **\$1,000** and we are currently at **\$240** so we still need about 19 members to make their yearly donation in order to meet this goal.

I believe we can meet these goals and continue being a strong club and awarded as such if everyone contributes.

Thank you to everyone who has donated thus far. I am proud of our club and its devoted members.

Sincerely,
MargaretAnne Ingle
Oak Ridge Sunset Rotary
Club President 2018-2019

Attendance is not typically an issue for our club members, but if you should find yourself in a situation where you're about to miss 4 consecutive meetings, there is an easy way to stay in compliance with RI attendance requirements: Rotary eClub One. You can visit the site any time, 24/7, to do a makeup. The articles and videos are interesting and informative, and you can view several in one makeup session. Just spend 40 minutes at (<https://www.rotaryclubone.org/>), fill out a makeup form (we are in district 6780) and e-mail it to club secretary Cyndi Jeffers (dcjeffers1@gmail.com).

Want an announcement in the *Sunsetter*?

If you have pictures, information, or announcements that you'd like to share with the rest of the club, please email them to **Devrin Kuipers** at devrin@devrin.com.

Sunset Rotary Club Announces the 2019 Da Vinci Arts & Science Fair

By Leonard Abbatiello

In 2019 the Oak Ridge Sunset Rotary Club will again expand its annual Da Vinci Arts & Science Fair to include 6Th middle school grades. Previously the fair has been limited to third-, fourth-, and fifth-grade students. **The middle-school fair will be held April 27 & 28, 2019 at the Jefferson Middle School in Oak Ridge.** Winners will be announced at the Awards Ceremony in the Jefferson Middle School Auditorium at 3:00 on Sunday April 28, preceded at 2:00 by an open house when entries are available for viewing. All participants, parents, teachers, and the public are invited to attend.

Complete information about the fair and registration forms for the middle school fair are available on the website www.davincifair.org.

Opening the fair for both elementary and 6TH middle-school grades provides a gateway for students to participate in their age groups.

The online registration deadline for all students is March 15, 2019. Confirmation will be sent via email.

Students displaying art projects should take two signed copies of the registration confirmation email with their projects to Jefferson Middle School on April 24 from 4:00-6:00 p.m. For science projects, entrants will need to take one signed copy of the registration confirmation email when they set up their projects on April 27.
