Sponsor Letters

If you have relationships with these previous sponsors or are willing to contact them about sponsoring this year's event, please contact Emily (eldejarnett@gmail.com).

Meeting Makeups

Attendance is not typically an issue for our club members, but if you should find yourself in a situation where you're about to miss 4 consecutive meetings, there is an easy way to stay in compliance with RI attendance requirements: Rotary eClub One. You can visit the site any time, 24/7, to do a makeup. The articles and videos are interesting and informative, and you can view several in one makeup session. Just spend 40 minutes at <https://www.rotaryclubone.org/>, fill out a makeup form (we are in district 6780) and e-mail it to club secretary Cyndi Jeffers (dcjeffers1@gmail.com).

Sunset Rotary Club Announces the 2019 Da Vinci Arts & Science Fair

By Leonard Abbatiello

In 2019 the Oak Ridge Sunset Rotary Club will again expand its annual Da Vinci Arts & Science Fair to include 6th middle school grades. Previously the fair has been limited to third-, fourth-, and fifth-grade students. **The middle-school fair will be held April 27 & 28, 2019 at the Jefferson Middle School in Oak Ridge.** Winners will be announced at the Awards Ceremony in the Jefferson Middle School Auditorium at 3:00 on Sunday April 28, preceded at 2:00 by an open house when entries are available for viewing. All participants, parents, teachers, and the public are invited to attend.

Complete information about the fair and registration forms for the middle school fair are available on the website www.davincifair.org.

Opening the fair for both elementary and 6th middle-school grades provides a gateway for students to participate in their age groups.

The online registration deadline for all students is March 15, 2019. Confirmation will be sent via email.

Students displaying art projects should take two signed copies of the registration confirmation email with their projects to Jefferson Middle School on April 24 from 4:00-6:00 p.m. For science projects, entrants will need to take one signed copy of the registration confirmation email when they set up their projects on April 27.
