Rotary News

The First Annual Meridian Rotary Club Pickleball Tournament is in the books. We extend a heartfelt THANK YOU to Northwood Country Club and Anthony Hiatt for host the event and for guidance with our first tournament. Lance Burnham performed the bulk of the pre-

tournament work. He organized the registration, managed the T-shirt development, and designed the logo! He is to be commended for his excellent attention to detail. He also organized the acquisition of door prizes and food for the event. He is our CLUB MVP for this event. All contestants enjoyed the weather, the club facilities and most of all, the spirit of competitiveness and service. Plans are already in the works for a second tournament.

A special thanks goes to Leon Harris for his liaison work with Northwood Country Club on our behalf.

All proceeds from the tournament will support our END Polio Campaign. Details of the event and our contribution will be posted soon!

Remember to smile, spread holiday cheer, and always say thank you when given a donation.
