Notes from the President

We have several Club activities on the horizon, so get out those calendars and get ready to Serve!

November 1 – our club welcomes **Michael Miller**. Michael is a guest of Wade Sims. He will speak on his ministry in Honduras. Michael's position and experience give him a unique knowledge of the challenges of connecting with at risk and street connected youth. Michael also helps in creating an understanding of the challenges faced by those who

live in underdeveloped countries.

This is a great opportunity to represent Rotary and Serve the Community. Feel free to dress in holiday attire to attract more –œcustomers–œ. This is also a great opportunity to share your service with your own children and introduce them to Service Above Self.

Rotary Club Visioning- We have scheduled the Rotary Club Visioning Event for November 14, 2023

The Visioning is scheduled at the Mississippi Power Company Service Center, 3118 Hwy. 45 N, Meridian, MS 39301.

Time: 4-7 pm

Please sign up now to participate in the event. We will have guidance for Club Strategic Planning from District Officers and volunteers. Please give us your email so that we can contact you with information.

Nominating Committee Seeking another volunteer for the Nominating Committee. All interested parties contact Deb Munsell or Michele Thames for more information. This is a valuable service opportunity. This is your chance to have a voice in the Club and to be a part of Club momentum.
