### Our International Project in Action

Road trip to Trussville Noon Rotary on Wednesday, May 15. We have been invited to join Trussville Noon to meet Rotarians from Escandon, Mexico, who are implementing prenatal clinics in rural Mexico. We provided funding for 3 fetal monitors that have already arrived at the clinic. We hope to hear more about this ongoing project and the impact our contribution is making. We need a head count for lunch that day. Sign up on the circulating sheet if you plan to join us. We will try to arrange car pools.

### Club Meeting

## Assistance League of Birmingham Service Day, April 18

Ladies and Gentlemen.....Words are inadequate to express the appreciation we have for you folks!

Patricia Lilly and I simply could NOT have completed the tasks that were done on Thursday without you!

Robert Sprain and I worked up a good lather loading and unloading and reloading and unloading and reloading storage crates. We had only room for two humans to handle the storage warehouse...the Suburban was completely full of boxes! We missed all the camaraderie the others enjoyed. Patricia, who was left to 'direct efforts' of other volunteers, said that you guys were such wonderful workers...she found herself happily running "to and fro " to just be able to help your team help our team. Ya'll truly blessed us with yesterday's serve day!

Thank you, Thank you, Thank you!

Darien Roche, President
