Grandfather/daughter Duo
Backyard Beekeeping since 2020

About Us
We started backyard beekeeping in 2020 as a way to spend more time together. Jack was a beekeeper in the 80's so he had prior knowledge & skills. We love teaching people the basics of beekeeping as well as fun facts about bees / apiarist and answer questions people might have who are curious about starting to keep bees themselves.

In the words of Rotary International President 2024-25, Stephanie Urchick (Rotary Magazine, July 2024, pg 20)

"It makes my job easier talking about being a Rotarian in an active club....[b]eing "simply irresistible" means the experience is so compelling, so fun, so dynamic that people are drawn to it and don't want to leave....At the bottom of that is the whole concept of belonging: Is this the kind of group I want to belong to?"

Let's share the "Magic of Rotary" and make Homewood Rotary Club "simply irresistible"!
