## Last Week's Program

We gathered at the Exceptional Foundation to fold some pamphlets as our community service project and then shared over pizza and tea as our social. The pizza was good, the friendship great.

## Today's Program

Our speaker today is Ann Gulledge, a native Alabaman who grew up in Tuscaloosa and graduated in May 1985 from the University of the South in Sewanee, Tennessee. Most of her subsequent career has been in the banking and credit management fields. Currently she is working for Jo Piper Inc. as Credit manager. She is married to Jonathan Gulledge, gaining four step-daughters, ten grandchildren (and one on the way) and one great-granddaughter.

She is a member (and Past President) of the Rotary Club of Birmingham-Sunrise and has held leadership roles in The Junior League of Birmingham, The Lite Council of Central Alabama and Oasis Counseling for Women. She speaks to us today about digital photo preservation.
