Last Week's Program

We planned, gathered into groups, coordinated, volunteered and on Saturday pulled off the most outstanding fund raiser in club memory...grossing in at \$30k! Pats on the back to everyone who sold tickets, donated or solicited prizes, found the auctioneer, decorated the room and tables, and made sure that everyone had fun. This didn't just happen! This was thanks to the leadership skills of Jennifer and Gregg who both get a tip of the emerald hat for taking the club to new heights.

Today's Program

Barry McNeely speaks to us today on the Battle of Birmingham: from Bombing to the Birmingham Civil Rights National Monument. He was born and raised in Birmingham and he has special insight into the Civil Rights Movement in both the city and surrounding areas. He introduces visitors to world famous historical sites of Birmingham as a lecturer guide leading walking tours and taking visitors to the city's historical neighborhoods and brings them along on the historical path of the American Civil Rights Movement. He is also an experienced educator, teaching locally in the Birmingham City School System and as an adjunct professor with the University of Alabama at Birmingham.

As a historian Barry has been featured on local television and radio stations. He has also appeared nationally on Lifetime Television's "The Balancing Act" and C-SPAN's American History Television.

Four Way Test of the things we think, say or do:
Is it the truth? Is it fair to all concerned? Will it build good will and better friendships? Will it be beneficial to all concerned?

Now live it!
