Please welcome Louis Michetti and Mike Johnston

Mike and Louis have many things in common. They are both bankers and both members of the Rotary Club of Huntsville. Mike currently serves as the District 6860 Chair of the Rotary Youth Leadership Awards program (RYLA) and Louis held the same position during the years 2015 to 2019. Our club sponsors between one and three or four high school students each year. RYLA is held annually at the U.S. Space and Rocket Center in Huntsville. It is a three-day program consisting of lectures and discussion, activities, leadership training, fellowship, good food and of course, a MINI-SPACE CAMP!

Last Week's Program

Jenny Waltman graduated from Samford University in 1998 with a degree in Human Development and Family Studies. She lives a concept "Business as Mission" through her service as President of Grace Klein Construction, Inc. and Founder, CEO and Chairman of the Board for Grace Klein Community, Inc. Author of "God Chose the Wrong Person" she gave a lively speech on her efforts to conserve and save food from institutions like restaurants and food service facilities and in turn give it to the hungry amongst us. Her efforts have grown over the years to include plenty of opportunities for service, whether driving to collect food and take it to a central warehouse or driving to deliver food, or preparing food, or just being a good neighbor.
