Volume 2 No. 5  
September 29, 2022

Please welcome Lauren Denton

Born and raised in Mobile, Alabama, Lauren now lives here in Homewood with her husband Matt and their two daughters, ten years old Sela and almost teenager Kate. She's the author of six novels including USA Today bestsellers *The Hideaway* and *Hurricane Season*. Her latest novel, *A Place to Land* releases on October 4<sup>th</sup>. In addition to her fiction, she writes a monthly column in The Homewood Star about life, faith, and how funny (and hard) it is to be a parent. Her husband Matt would prefer to live a little closer to the Smoky Mountains, but thankfully he understands his wife needs to be within quick driving distance of the beach.
