### The Education Foundation of Shades Valley Rotary Awards Four-Year Scholarships

The Education Foundation of the Shades Valley Rotary Club was incorporated in 1971 to raise funds to encourage qualified students from the high schools in the area the Rotary Club serves to seek a higher education at the college level.

The award of scholarships is no restricted to any college or university, nor is the course of study restricted. A scholarship recipient may attend any recognized college or university in the nation and be enrolled, full time, in any recognized course of study. The major emphasis in the scholarship awards is to assist Freshman in attending college.

Scholarships are awarded both on the basis of need and scholastic achievement, each factor of equal importance. Students participate in a personal interview with the screening committee. School transcripts, test scores, and academic goals are all considered.

The scholarship award winners for the 2021-2022 academic year will be presented at the May 3 club meeting.
