Tom Attard - Power Polymer

Dr. Tom Attard is coming all the way from Arizona to share information about his business, PowerPolymer LLC, and their I-Molecule product. Join us for an informative lesson on strengthening/hardening structures for disaster through the use of I-Molecule.

Dr. Thomas Attard is President and CEO of PowerPolymer, LLC. Dr. Attard received his Ph.D. from Arizona State University in structural engineering and mechanics (2003). His expertise is in the development of chemical-materials-structural scalable solutions that enhance multi-hazards resilience using unique multi-functional polymer-composites that provide tremendous energy-transferability properties in the form of damping and fracture toughness. He has authored 82 articles, holds two patents (surface modification chemistry), has chaired nine international conferences, served as editor of three journals, and is an ACI member of the 440/ 440-F, 440-K, 308-00 subcommittees. His research has been funded by Department of Energy, Department of Homeland Security, National Academy of Sciences, Federal Highway Administration, and Alabama and California Departments of Transportation.

Please Sign Up

Please continue to remember to sign up for our Spiritual Moment, Pledge, and 4-way test IN ADDITION to signing up as an alternate.

It takes a lot of work and effort for Ashley Neese to schedule these each week, and we are trying the following Sign Up Genius Link. It is very easy to use, and we GREATLY APPRECIATE everyone's participation.
