## Stefanie Teaford - The Civilian Marksmanship Program

By Jon E. Lewis on Tuesday, May 2, 2023

My name is Stefanie Teaford and I've spent the last 17 plus years learning everything there is to know about the firearms industry through a non profit 501C3 from 2006 to present day. I'm currently applying this knowledge in my role as Business Development Executive for The Civilian Marksmanship Program, where I'm responsible for vendor relationships, sponsorships, and corporate events held at TMP. I've held a number of CMP roles over my 17 year career from customer service representative, Sales Supervisor, Event Specialist, Inventory Specialist, Vendor Specialist to now Business Development Executive but my latest challenge has been helping The Civilian Marksmanship Program grow its corporate sponsor contributors and grow public knowledge of our mission through my contributions as the Business Development Executive.

I am from Saks, Alabama and reside in Wellborn. I have lived in the Anniston\Calhoun County area my entire life. I am married to Jason Teaford and have been for almost 15 years. We have a beautiful 9 year old little girl Hadley Autumn and a Cavapoo named Pepper. I learned at a young age to find something you love to do and you will not work a day of your life and since beginning my career with the CMP I haven't worked one single day! I whole heartedly believe in our mission.
