Give Back Breakfast Success

By Ashvin Maharaj on Thursday, July 14, 2022

Jerry and Sylvia McGinty visited the White Bear Lake Rotary Club and presented our \$1500 contribution to Patty Hall, President of H2O For Life!	
It's really great to see the efforts of our club in real life. Throughout each year, we host fundraising events that culminate with a "Give Back Breakfast". This year one of our recipients was Heroes Adapt & Denny Locascio. The photos below show Denny accepting the donation and one of the adaptive athletes with the new skier equipment purchased from the donation.

Hello, my name is Dorothy Allen. I recently moved to Florida to take a position as Clinical Director for Lincoln Memorial University's new Tampa PA program. I most recently held the position of Vice-president of the Tennessee Academy of Physician Assistants and was named TAPA's 2021 PA of the Year. That year I held a statewide advocacy campaign and assisted in achieving the highest numbers of active members in our chapter's history. I have been a PA didactic faculty member for almost two years and an adjunct preceptor for 7 years prior. In addition, I practiced clinically for almost 12 years within TN's largest privately owned Orthopaedic sub-specialty clinic providing care for new, pre-, post-, and intra-operative patients. I received my post-graduate training at Eastern Virginia Medical School and undergraduate training at the University of Tennessee, Knoxville.

Meet Arki Koul

"I am Arki Koul, Originally from Northern India and have been living in the United States for the past ten years. I worked in the Technology Industry for about 14 years before moving to the Mortgage Industry a while ago. I am a proud mother of a 4 year old son, Ari. I moved to the mortgage industry to make a difference in people's lives, My work allows me to reach a wide and diverse range of population (socioeconomically) and help make their Dream of "Owning a home" true. I also believe in the greater purpose of life of giving back to the Society and community I live in and imbibe the same qualities in my Child right from his young age. Being a Rotarian would give me access to an established and well respected platform which enables people like me to contribute back to the community. I look forward to contributing my time and financial resources towards various causes the Club supports."

District Governor, Debbie Meegan's July Message

By Debbie Meegan

Welcome to a New Rotary Year and a New Rotary Theme- **Imagine Rotary**.

Jennifer Jones, our new Rotary International President wants us all to "**Imagine** a world that deserves our best, where we get up each day knowing that we can make a difference."
As we start off the new Rotary Year together, I hope you are filled with excitement, anticipation, and imagination for all we can accomplish in this Rotary year. I look forward to challenging each of you to Imagine things you never thought possible and then turn them into reality.
We have assembled a great team of District leaders and we are looking forward to connecting with your clubs, getting to know you better and finding out how you **Imagine Rotary**.

Our goals for the year are simple. We want to **SEE** you:

Support
Encourage
Engage

My Official club visits start in July and I can't wait to **SEE** each of you and **Imagine** the impact we can make together. Please reach out to me or any of our District Leadership Team with any thoughts or ideas you would like to share. We want to know how you **Imagine** Rotary.
JUST FOR FUN, SEE IF YOU CAN FIND THE TYPO IN THIS LIST OF ROTARY NEW YEAR RESOLUTIONS.

Message from Rotary International President Jennifer Jones

It is a proud moment in Rotary history that we begin our Rotary year with the first female Rotary International President in the organization's 117-year history. She is not only the right woman for our time, she is the right person and leader for our time.
The message below was reprinted from this month's edition of The Rotarian magazine. WM -editor

IMAGINE
ROTARY

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the magazine's glossy pages. They are a
