What a Wonderful World by Louis Armstrong

I see trees of green, red roses too
I see them bloom for me and you
And I think to myself
What a wonderful world

I see skies of blue and clouds of white
The bright blessed days, the dark sacred nights
And I think to myself
What a wonderful world

New Member Bio!

By Ashvin Maharaj on Thursday, July 14, 2022

Meet Dorothy Allen

Hello, my name is Dorothy Allen. I recently moved to Florida to take a position as Clinical Director for Lincoln Memorial University's new Tampa PA program. I most recently held the position of Vice-president of the Tennessee Academy of Physician Assistants and was named TAPA's 2021 PA of the Year. That year I held a statewide advocacy campaign and assisted in achieving the highest numbers of active members in our chapter's history. I have been a PA didactic faculty member for almost two years and an adjunct preceptor for 7 years prior. In addition, I practiced clinically for almost 12 years within TN's largest privately owned Orthopaedic sub-specialty clinic providing care for new, pre-, post-, and intra-operative patients. I received my post-graduate training at Eastern Virginia Medical School and undergraduate training at the University of Tennessee, Knoxville.

Meet Arki Koul

"I am Arki Koul, Originally from Northern India and have been living in the United States for the past ten years. I worked in the Technology Industry for about 14 years before moving to the Mortgage Industry a while ago. I am a proud mother of a 4 year old son, Ari. I moved to the mortgage industry to make a difference in people's lives, My work allows me to reach a wide and diverse range of population (socioeconomically) and help make their Dream of "Owning a home" true. I also believe in the greater purpose of life of giving back to the Society and community I live in and imbibe the same qualities in my Child right from his young age. Being a Rotarian would give me access to an established and well respected platform which enables people like me to contribute back to the community. I look forward to contributing my time and financial resources towards various causes the Club supports."

Polio Update

When Rotary first started leading the world towards eradicating Polio there were 350,000 children crippled from this terrible disease. As of June 22nd, there are

11 paralyzing cases so far this calendar year: One in Afghanistan and 10 in a concentrated area in Pakistan. We really are so close to our end game. There is a five year plan in place to make this happen. The ask is for

Message from Rotary International President Jennifer Jones

It is a proud moment in Rotary history that we begin our Rotary year with the first female Rotary International President in the organization's 117-year history. She is not only the right woman for our time, she is the right person and leader for our time. The message below was reprinted from this month's edition of The Rotarian magazine. WM -editor

Every month since I joined Rotary, I've looked forward to reading this magazine, especially the opening essay from our Rotary president. I'll admit that as much as I appreciate a digital copy, I still revel in the tactile sensation of sitting down and leafing through the magazine's glossy pages. They are a
