History of Veterans Day

World War I – known at the time as “The Great War” - officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France. However, fighting ceased seven months earlier when an armistice, or temporary cessation of hostilities, between the Allied nations and Germany went into effect on the eleventh hour of the eleventh day of the eleventh month. For that reason, November 11, 1918, is generally regarded as the end of “the war to end all wars.”

DG Debbie's Message for November

By Debbie Meegan

Happy Thanksgiving
Fellow Rotarians!

Thankful and Blessed

In November, we celebrate Thanksgiving Day, which is one day set aside to express our thanks and count our blessings. Instead of just one day, we as Rotarians seem to always be thankful and count our blessings every day. At our meetings we encourage and remind each other of all that we do as Rotarians, the lives we impact, and the positive changes we can and do make.

As we reflect at this time, let's think about being...

- **Thankful** we were spared from the ravaging damages of Hurricane Ian.
- **Blessed** that as Rotarians we have the ability to donate time and resources to help those who were affected.
- **Thankful** that we live in a country that is filled with Veterans who defended our freedoms and protected us day and night.
- **Blessed** that as Rotarians we can participate in Veteran's Day celebrations that show our appreciation for their sacrifices like the four Lakeland Rotary Clubs coming together each year to put on their Veteran's Celebration Breakfast and The Tampa Rotary Club which hosts the Annual Flags for Heroes Celebration.
- **Thankful** for our fabulous Rotary organization that celebrates November as Rotary Foundation month which brings awareness to the many projects we participate in around the world that stress the 7 areas of focus.
- **Blessed** that our District is filled with Rotarians who generously give to the Foundation so we can be a blessing to people both here at home, and all over the world.

As your District Governor, I am truly **THANKFUL FOR EACH OF YOU**; for your commitment to making our world better and your willingness to share your time, talents and treasures. I am truly **BLESSED** beyond measure to be sharing this journey with **YOU!**

I am looking forward to seeing all of you as we celebrate our Rotary Foundation and recognize our giving clubs and Rotarians at our annual District 6890 Rotary Foundation Gala on Tuesday, 11/15 at 6 pm at the Magnolia Building in Lakeland. To register and select your meal please visit the DACdb Calendar or click on this link: <https://dacdb.com/index.html?EventID=77626025>

We encourage you all to attend and to sponsor your new members so they can enjoy our fellowship and fun!

Have a wonderful November.

Debbie

Rotary Foundation Update for November

By Mark Gilbert Scolnick

Re-emergence of Polio Underscores the Need for Eradication

The detection of wild and variant poliovirus in places where it hasn't been found for years demonstrates the difficulty of eradicating a human disease, especially in the final stages.

In recent months, an unvaccinated man in the United States was paralyzed by variant polio. In the UK, poliovirus was detected in sewage. In Malawi, a child contracted polio from a wild virus imported from Pakistan. Children in Mozambique have also been infected with wild poliovirus imported from Pakistan, and in recent years the country has had outbreaks of both cVDPV1 and cVDPV2.

But Rotary and its partners in the Global Polio Eradication Initiative remain confident for several reasons about achieving a polio-free world. [Learn why we](#)

are optimistic about polio eradication.

Polio – A Threat to Every Child

Safia Ibrahim remembers waking up in the morning and watching other children walk to school as she remained behind. Contracting polio as a toddler left her partially paralyzed from the waist down. It wasn't until civil war broke out in Somalia, and she migrated to Canada, that she was fitted with leg braces and allowed to go to school with other children. [Ibrahim shares her story](#) to encourage others of the importance of vaccinations

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world.

Our Mission

The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty.

What impact can one donation have?

- For as little as 60 cents, a child can be protected from polio.
- \$50 can provide clean water to help fight waterborne illness.
- \$500 can launch an antibullying campaign and create a safe environment for children.

District 6890 Foundation Disaster Relief Update

By Winnie M. Marvel

Puerto Rico following Hurricane Fiona

This year, although we have had very few storms that effected our Rotary Zone 34, they have been mighty.

The impact of both Hurricane Fiona in Puerto Rico on September 18th and Hurricane Ian in Florida on September 28th will be very memorable for all the wrong reasons.

Although the storm was only a category 1, Hurricane Fiona produced up to 30" of rain in some parts of Puerto Rico. All the islands 1.5 million people were without power, hundreds of thousands were without water and 13 people lost their lives. The economic hit will be in the billions. In an area that never fully recovered from Hurricanes Maria and Irma in 2017, the weakened infrastructure could not withstand the force.

When District 6890 made the ask, our members answered. Since that time, we have received \$16,100. The District Foundation matched the first \$5,000, which allows for a total of \$21,100 for distribution to our neighbor island. We are currently in discussion with their District Governor to determine the best way to help.

Only ten days after Fiona, Ian came roaring across Florida and left almost complete destruction in many parts of the state, including our own District. The destruction of the coastline has been well documented and is utterly unimaginable. What we haven't seen so much of is the destruction caused in our own District to our friends and fellow Rotary members. The entire city of Wauchula was without power and underwater in the wake of the storm. Also impacted were many parts of Polk and Highlands counties. To date, the state of Florida has suffered 97 deaths as a result.

I think it is important to mention our District 6890 Disaster relief chair, Kevin Kitto who responded quickly to people in need. He made lists of items that were required, collected those items and was on the scene with other Rotarians and volunteers to assist in clean up and support efforts.

Our generous members were still giving donations for Puerto Rico, when we asked for donations for Florida and District 6890. I am pleased to let you know that we have collected \$21,105. to date and with the District 6890 Foundation match, we have \$26,105 in funds to distribute to causes here in Florida.

Thank you to all our members who had it in their heart to give. An update on projects or funds that we were able to support will be coming soon.
