God Bless the USA - Song

God Bless The USA by Lee Greenwood

If tomorrow all the things were gone, I'd worked for all my life.
And I had to start again, with just my children and my wife.

I'd thank my lucky stars, to be liv'in here today.
'Cause the flag still stands for freedom, and they can't take that away.

And I'm proud to be an American, where at least I know I'm free.
And I won't forget the men who died, who gave that right to me.

And I gladly stand up, next to you and defend her still today.
'Cause there ain't no doubt I love this land, God bless the USA.

From the lakes of Minnesota, to the hills of Tennessee.
Across the plains of Texas, From sea to shining sea.

From Detroit down to Houston, and New York to L.A.
Well there's pride in every American heart, and it's time we stand and say.

That I'm proud to be an American, where at least I know I'm free.
And I won't forget the men who died, who gave that right to me.

And I gladly stand up, next to you and defend her still today.
'Cause there ain't no doubt I love this land, God bless the USA.

And I'm proud to be an American, where at least I know I'm free.
And I won't forget the men who died, who gave that right to me.

And I gladly stand up, next to you and defend her still today.
'Cause there ain't no doubt I love this land, God bless the USA.

PREVENTION IS BETTER THAN CURE

By Nicholas R. Hall

Most of us were taught at an early age that to get ahead, you must save and spend wisely or else the nest egg will be quickly eroded. Regrettably, we're now being forced to spend donations collected for the Polio Plus campaign on something that shouldn't be necessary. [Read More](#)
