This does not change, so it is good every week.

Honoring All Who Served and especially those that gave their ultimate sacrifice.

Song of the Week - Nov 10

You're a grand old flag

You're a high-flying flag

And forever in peace may you wave

You're the emblem of

The land I love

The home of the free and the brave

Ev'ry heart beats true

Under red, white and blue

Where there's never a boast or brag

But should old acquaintance be forgot

Keep your eye on the grand old flag

Since its Charter Night on December 2, 1995 members of this club have consistently made donations to the Rotary Foundation to support its efforts to change lives both locally and around the world. In the past 28 years, the club has seen 13 members become Major Donors, 20 members have signed up as Benefactors, 5 members are Bequest Society members at both Level 1 and Level 3, 9 members are signed up as Paul Harris Society members, and 22 members are signed up for Rotary Direct. In total, 163 Paul Harris Fellows have been awarded including 57 (and counting) Multiple Paul Harris Fellows. The club became a 100% Paul Harris Fellow club in 2014-2015.

Please welcome incoming member Kevin Kaskel

My name is Kevin Kaskel and I am 30 years old. I am happily married to my beautiful wife, Jenny. We live in downtown Tampa, FL with our two cats, Leo and Tony. We have no children yet. We moved to Tampa for a career opportunity.

I attended the University of Arizona and when I graduated, I moved to Manhattan, NY to work for Indeed.com the job search website. After making a bunch of money off sales they audited the sales process and changed the commission structure. I decided at that time I need to look for a new job. I had watched a Netflix film about recycling called "Before the Flood" and wrote a business plan to build a recycling company. With the help of family and a bank, I raised capital and purchased DAK Recycling. I grew the business over 4 years and sold the cardboard and paper recycling company to "Coastal Waste and Recycling."

During my time at DAK Recycling as an owner I had many great accomplishments, but the best was meeting my wife, who I met at a bar. She walked in and I asked her to take a shot of tequila with me. The rest is history. After I fulfilled my working contract, one of the brokers that bought my wastepaper worked for CellMark. He was a close friend of mine and mentioned the recent acquisition of Accurate Paper Recycling and Accu-Shred and exit of the General Manager at the time. He offered me the job and I packed my bags and moved to Tampa two weeks later.

For fun, I enjoy wakeboarding, traveling, eating out, and hiking. My wife and I want to travel the world as much as possible before we have children. I am a family man and enjoy spending time with my siblings and parents. I want to be a part of the Rotary Club to do some good for the local community and become friendly with new people.

Thank you to all who donated
