## Song of the Week - Lean On Me

SONG OF THE WEEK: (1st part only)

### Lean on Me, by Bill Withers

Hmm... hmm-hmm-hmm-hmm

Hmm-hmm-hmm-hmm

Hmm-hmm-hmm-hmm-hmm

Some...times in our lives

We all have pain

We all have sor...row

But if we are wise

We know that there's always tomorrow

Lean on me

When you're not strong

And I'll be your friend

I'll help you carry on...

For it won't be long

Till I'm gonna need somebody to lean on

## Evening with Rotary International President Elect

A meeting occurred with Rotary International President Elect, Stephanie Urchick on November 15. District Governor Steve Overton and 6950 District Governor Chris Casella were both there along with Rotary New Tampa – Ken, Ram, Walt, Craig, Lesley, plus members of Rotaract USF and Rotaract Tampa Club. Stephanie talked about her Rotary experience and her focus for both Rotary and Rotaract.

## Please welcome incoming member Kevin Kaskel

My name is Kevin Kaskel and I am 30 years old. I am happily married to my beautiful wife, Jenny. We live in downtown Tampa, FL with our two cats, Leo and Tony. We have no children yet. We moved to Tampa for a career opportunity.

I attended the University of Arizona and when I graduated, I moved to Manhattan, NY to work for Indeed.com the job search website. After making a bunch of money off sales they audited the sales process and changed the commission structure. I decided at that time I need to look for a new job. I had watched a Netflix film about recycling called "Before the Flood" and wrote a business plan to build a recycling company. With the help of family and a bank, I raised capital and purchased DAK Recycling. I grew the business over 4 years and sold the cardboard and paper recycling company to "Coastal Waste and Recycling."

During my time at DAK Recycling as an owner I had many great accomplishments, but the best was meeting my wife, who I met at a bar. She walked in and I asked her to take a shot of tequila with me. The rest is history. After I fulfilled my working contract, one of the brokers that bought my wastepaper worked for CellMark. He was a close friend of mine and mentioned the recent acquisition of Accurate Paper Recycling and Accu-Shred and exit of the General Manager at the time. He offered me the job and I packed my bags and moved to Tampa two weeks later.

For fun, I enjoy wakeboarding, traveling, eating out, and hiking. My wife and I want to travel the world as much as possible before we have children. I am a family man and enjoy spending time with my siblings and parents. I want to be a part of the Rotary Club to do some good for the local community and become friendly with new people.
