## No club luncheon Tuesday - join us for happy hour instead!

Hanisha and Rod are waiting for you at Sal y Mar - the newest Tampa rooftop hot spot! Rotary celebrates spring break next week, but that does not mean we have to go without seeing our Rotary family. Instead of a club luncheon on March 16, we will gather for an informal happy hour at the fabulous new rooftop at [Sal & Mar Midtown](#), one of the crown jewels of the new Midtown Tampa development at Dale Mabry & Cypress.

With convenient valet parking, a safe outdoor space, and Rotary picking up part of the tab, it is sure to be a fun event. If you are courting a prospective member to our club, bring them along. Events like these are the perfect place to mingle. We will kick it off at 4 when the doors open, and hang around until we give up. Join us!

## Brush up on your club knowledge at March 23 seminar

One of our club's new member requirements is an informative seminar led by master Rotarian, major donor, ballroom dancer, and margarita magician Larry Vickman. In less than an hour, he covers club history, budgets, service, our two foundations, and more. This event is open to all members who are interested in a refresher course. And the best part? Interacting with many of our newer members - the future of our club! [Register here for the live luncheon first](#) and make it a great Rotary day!

## Ladies of the RCT lunch becomes a monthly event!

Ring in the weekend with some Rotary fellowship sounds like a good idea to us! This Friday, we celebrated a belated International Women's Day and our March birthdays. Plus, we uncovered lots of professional milestones to toast with our accomplished Rotarians. And yes, it was outdoor seating - thank goodness for this amazing weather. It was so much fun that it's becoming a monthly event. Mark your calendars now for April 9!

Do you have a hobby that other club members share? Maybe bourbon or cigar tasting, cooking, fishing, hiking, or books? If you have ideas for Rotary interest groups that can continue to bring us together in smaller groups in new ways, please [share with Brooke](#) in the club office.
