Service Above Self Day replaces our luncheon on Tuesday - Spaces still available!

Rotarians! After a long, Covid induced hiatus, we are bringing back the popular **Service Above Self Day on January 24**. This Tuesday, club members forgo our luncheon and speaker and instead perform acts of service in the community. This year, **we are partnering with Trinity Cafe and Metropolitan Ministries** to serve meals

to their guests, staff, and residents. Take a much-needed break from the weekday grind and serve with your fellow members. You will be glad that you did!

There are still spaces available in the midday and late afternoon. Help us fulfill our commitment to our partners by signing up today!

[Use this link to choose your spot.](#) Thanks in advance for joining us!

Rotary Business Exchange is our club's networking arm. Each month, Rotarians gather at a member's place of business to share their business story, learn about others, and forge partnership and collaborations along the way. This is another way to deepen our Rotary bonds of fellowship.

Who better to partner with than another devotee of the 4-Way Test?

Thank you to **Christine Derr & Joe Hunt with Harris Hunt & Derr PA** for hosting this month's event at their downtown law office.

Welcome Peruvian Rotarians this February

District 6890 is sponsoring a second Friendship Exchange for this Rotary Year. We hosted Rotarians from Egypt this past October, and we learned so much. The next group arrives from Peru on February 6, and they will be in the District until February 18. We will welcome nine Rotarians - 2 men and 7 women. All are professionals and speak English.

There are still opportunities to host these Rotarians, and the dates at the time of this note are still fluid. We are looking for persons who could host a visitor or two for three or four nights. Another hosting option could be a vacation home you may have in the District that would be suitable for a short-term stay. We are also looking for persons who would be willing to transport the visiting Rotarians to and from activities.

[Want to learn more? Contact Linda Devine.](#) And thank you!
