Tuesday's topic -

"How medical care is changing in the post-Covid world"

As Covid-19 vaccine access becomes more widespread, cases decline, but variants loom, the question remains - what can we expect from healthcare as it adapts in a post-pandemic world?

Join us on Tuesday and meet **Michael Schultz, President and Chief Executive Officer of Advent Health's West Florida Region** - 9 hospitals located in or near the Tampa Bay area that are critical pieces of our community's healthcare system. Schultz has been a Vice President with Adventist Health System (AHS) since 2000, initially as President and CEO of the Appalachia Region, which included Park Ridge Hospital in Fletcher, North Carolina and three hospitals in eastern Kentucky and Tennessee.

Joining us live? It's FREE for the first 40 guests. Click this link and choose the "Register Now" yellow button to register for the live meeting by Sunday.

For those members who would like to gather, this meeting will be held in person at the Ferguson Law Center. **Many steps** are being taken to assure the safety and comfort of all members. Tables have limited seating, lunch is grab and go rather than by buffet, masks are required when not seated, and the meeting is limited to 40 pre-registered attendees.

Or, Join Zoom Meeting

Please remember to bring a mask or other face covering for fellowship time. If you are unable to attend, please email the club office in case there is a wait list. Thank you!

Welcome New Rotarians!

The Rotary Club of Tampa is thrilled to introduce two outstanding new members this month. Welcome!

Terry Carter is the President and CEO for Boys & Girls Clubs of Tampa Bay, joining a long line of BGC leadership who have been members of our club over the nearly 100 years we have been partners. Terry is new to the organization, making the switch to the non-profit world from a successful career in business transformation strategy, logistics, and private equity. His talents in motivation and management mean that the BGC is in excellent hands!

Kathy Hackshaw is the General Manager at the exciting new Midtown Tampa, overseeing retail operations as her latest step in a retail property/asset management career that spans 20 years. She is excited to return to Florida after stints in Georgia and Mississippi. She comes from us as a Paul Harris Fellow from the Jackson, MS Rotary club and has been a Rotarian in many cities over her career.

Rotarians making their mark in Tampa

Do you know a club member making it happen in Tampa? [Let us know!](#) We want to celebrate our members and the unique impact you each make in our community.

This week, we celebrate three such members. You all make us proud!

Club social chairman and incoming director **Kevin Franzese** is the new Treasurer on the South Tampa Chamber of Commerce 2021 Executive Committee. He is also the Market Executive at Bank OZK and is well known for his high level on engagement in his many community organizations.

Another Rotarian has made her impact at the South Tampa Chamber for many years. **Connie Gage** has just wrapped up back to back terms as the Chamber's Chairman of the Board. You can see Connie's imprint in the energy and diversity of activities that the STCOC hosts and participates in every week.

Congrats are in order for local gem and our community partner, HB Plant Museum and its executive director, our own **Cynthia Zinober**. The Museum took the People's Choice Award at the Urban Excellence Awards ceremony of the Tampa Downtown Partnership for the ever popular Victorian Christmas Stroll and the Museum's adaptations to continue hosting that special event safely during the pandemic. Fellow Rotarian Rebecca Nagy nominated Plant Museum for recognition!
