## Behind the Scenes in Local TV News

For 22 years, our future District 6890 Governor, Steve Overton, was a fixture on local news, most recently at WFLA News Channel 8. Now he has pivoted to a new career as a financial advisor at Ameriprise Financial Services. However, those connections and years of on camera and behind the scenes media experience will never leave him.

Join us at Tuesday's luncheon for a fascinating peek behind the curtain at local news, the people, and the changes facing this industry every day.

[Click here to register TODAY for the live luncheon.](#) Registration closes on Sunday.

Please remember to bring a mask or other face covering for fellowship time. If you are unable to attend, please email the club office in case there is a wait list. Thank you!

## Club proud to support Polio Plus

Our club is honored to stand besides other clubs in District 6890 to support the ongoing worldwide effort to say goodbye to polio forever. This week, we sent \$1500 from the club to Rotary International, to help them achieve their goal of raising \$50mm annually for 3 years. Doing so means that the Gates Foundation will match those dollars 2:1, tripling their impact.

You can help too! [Just visit the End Polio website](#) and make your contribution today.

[To learn more about Rotary International and the Gates Foundation's partnership to eradicate polio, visit this page.](#) Thanks for sharing the news!

## Congrats to our newest Paul Harris Fellows!

**Sunny Alexander and Jonathan Moore** were celebrated at Tuesday's luncheon for their support of the Rotary Foundation. Larry Vickman, himself a Major Donor, did the honors Sunny earned her first Paul Harris Fellow, and Jonathan his second (\$2000 in lifetime support), and are part of a cohort of millions of Rotarians worldwide whose ongoing commitment to our worldwide Foundation is helping serve those in need and work for peace around the globe.

*Did you know?* Our club will match members' first \$500 in RI contributions to get you to the \$1000 mark that means a Paul Harris Fellow. Learn more about how you can become part of this community of givers by contacting the club office, Larry Vickman, Winnie Marvel, or Jordan Behlman.
