Anything is Possible!

Born without legs, one would think **Jen Bricker-Bauer** would be destined for a life of hardship. However, the hand of destiny brought her an amazing adoptive family, who gave her one simple rule, ♦Never say can♦it♦ and helped her forge a life of triumph, not tragedy. As a child, Jen was obsessed with gymnastics, and her idol was Olympic gold-medalist Dominique Moceanu. Seemingly against all odds, Jen went on to compete against able-bodied athletes, and became a State Champion in power tumbling♦only later to discover Moceanu was actually her biological sister.

Jen joins us via Zoom to share her inspiring story on Tuesday. See you there!

Rotary Cares a Ton Challenge is now through May 31!

Can you say 6 tons??? Our club is just getting started! Thanks to our fearless leader Carolyn Wilkinson, this District-wide donation initiative = Spring cleaning for you! Let's keep the momentum going by continuing to support the Salvation Army and other local causes that collect used household items, vehicles, furniture, non-perishable food, anything!

For a list of [Salvation Army drop off locations](#), [click this link](#). No matter where you donate, from now to May 31, clean out those closets, reach out to your neighbors, collect and donate as much as you can, and report the approximate weight of your donations to [Carolyn Wilkinson by emailing here](#). If you can send a picture along, even better! CASH COUNTS TOO!. For every dollar you all donate in March or April to any organization, we get a 5lb per \$1 credit.

The club that wins this event for the district wins a Paul Harris Fellow for the member donating the most weight to the cause. Let's win this!
