September is Basic Education & Literacy Month

September is "Basic Education and Literacy" month in Rotary. Basic education and literacy is one of The Rotary Foundation's six Areas of Focus. We know that basic education and literacy are essential for reducing poverty, improving health, encouraging community and economic development, and promoting peace.

The Rotary Foundation supports education through scholarships, donations, and service projects around the world.

Rotary's goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy. We support education for all children and literacy for children and adults.

Our club is supporting these initiatives this month with an in-meeting service project. We are collecting much needed school supplies for the 4C Academy. All members received an email with the list of requested items. Please choose at least one item to purchase and bring to our next meeting on Tuesday, September, 11th.

September 5th Meeting Recap

Our

September 5th meeting was our second "Get to Know Your Rotarians" presentation. This month we heard from Clay Chester, Samantha Marshall and Gayle Woolard. Clay is a local business/restaurant owner, Samantha is a Business Development Representative with SERVPRO and Gayle is a Private Banker with AB&T. It was great to get to know more about these fellow Rotarians and their passion for our community and Rotary.

Our next "Get to Know Your Rotarians" presentation will be on October 3rd. We will hear from Liz Knight, Elyse Bower and Nathaniel Cooper.

Save the Date for our Next Social

Our next Social will be on September 26th at Locos
