5/7 Meeting Recap

I left last week's meeting feeling refreshed, energized, and excited about our Club's upcoming year. Thank you so much to everyone who was present at the meeting and gave their input on how our club could be better in the future. Your feedback is crucial, this club is all of ours! We are going to keep having conversations around the direction we are moving in, and I encourage you to continue participating and giving feedback on your experience so far, and what you want to see going forward!
