Helping Hands Ending Hunger

Friday, October 11, 2019

Several months ago, Mrs. Cathy Revell brought a community project **Helping Hands Ending Hunger** to our rotary clubs attention. This program allows for the collection, storage and redistribution of unopened milk and packaged and fresh food items left on school children's plates. Our president, Jennifer Dozier and past president, Eric Hooper applied and was successfully awarded a grant to assist with this program. Mrs. Revell came back to our October 8th meeting to thank the club for the 6 freezers and 6 refrigerators along with several barrel coolers and signage for **We Are A Kids Helping Kids School**.

This time Mrs. Revell's request was for volunteer hours. Members will be asked to help pack cooler bags for children to take home over the weekend and to deliver packed bags to non-profit organizations in our area.

Watch for the volunteer schedule, coming soon!
