Rotary Citation

The Rotary Citation awards recognize the hard work clubs do throughout the year. Taking action toward achieving the citation goals helps clubs engage their members, stay relevant in their communities, and run more efficiently. A welcoming and engaging club also reflects the values of Rotary. When clubs achieve citation goals, they contribute to the overall health and culture of Rotary for generations to come.

Our very own RCSM is humbled and proud of being recognized with this award for the year 2021-2022
