This festival promoted literacy and language activities for pre-school children and their families in a way to provide delightful enjoyment while placing emphasis on education. ## Club presence

Our community needs to know about the Rotary Club of Stone Mountain. They need to know about club meetings info. They need to know when and where so that they can join. This is easily promoted by displaying our wheel in the heart of the city. Your continued effort to make this possible is very important, and our club counts on you.

## Rotary Citation

The Rotary Citation awards recognize the hard work clubs do throughout the year. Taking action toward achieving the citation goals helps clubs engage their members, stay relevant in their communities, and run more efficiently. A welcoming and engaging club also reflects the values of Rotary. When clubs achieve citation goals, they contribute to the overall health and culture of Rotary for generations to come.

Our very own RCSM is humbled and proud of being recognized with this award for the year 2021-2022
