You are cordially invited to attend the **8th Anniversary Heavenly Culture, World Peace, Restoration of Light, (HWPL) World Peace Summit** hosted by HWPL Georgia. This will be a remarkable event to celebrate the works of peace in the Southeast of America and around the world initiated by leaders across the world in politics, religion, journalism, women's groups, and youth groups.

Through this event, we will feature different **peace projects and initiatives that have been achieved for World Peace across the globe and upcoming projects for the year in the local community of Atlanta, GA and the surrounding states.**

This is a great opportunity to learn more about HWPL peace work and see how we can work together as a global community for peace. There will also be presentations from notable speakers from HWPL and our partner organizations at the event.

The event is free and will be a great opportunity to **establish connections with different organizations.** We will send the zoom link to the RSVP guests.

Club presence

Our community needs to know about the Rotary Club of Stone Mountain. They need to know about club meetings info. They need to know when and where so that they can join. This is easily promoted by displaying our wheel in the heart of the city. Your continued effort to make this possible is very important, and our club counts on you.
