Featured Speaker - Linda Kimbell, Mental Health Update

Prior to her retirement as a therapist at Lake Country Medical Group, Linda's therapeutic focus with adult clients was supporting them with a whole person perspective of body, mind, spirit and relationships. Her professional colleague, Rosie, is a certified animal assisted therapy dog. Throughout her career, she has enjoyed speaking at community health education events and has facilitated support groups for:

Chronic Disease,

- Caregiving,
- Grief,
- End-of-Life,
- Memory with the Alzheimer's Association, and
- Mental Health.

A lifelong student, Linda achieved her undergraduate degree in Psychology at the University of South Florida and a Master of Clinical Social Work at UGA. Linda is now pursuing her encore career as a gerontologist at UGA's College of Public Health. Her personal goal is to continue serving as a source of healing in the community.

Linda and her husband, Chuck, have been residents at the lake for over 20 years. In addition to towing their 8 grandchildren around the lake each summer in Big Bertha, they enjoy quiet weekends at their family farm in Morgan County where they raise Black Angus beef cattle.
