Jerrold Keith Holt, III- Nathanael Greene Academy

Jerrold Keith Holt, III, or Jay, is the son of April Holt of Greensboro, Lee Heffner of Greensboro, and the late Jerrold Holt Sr. of Eatonton, Georgia. Jay has attended Nathanael Greene Academy for three years. He played football (11th grade), baseball (10th & 11th grades), and tennis (12th grade). He has also coached Little Patriots football for the past two years. He enjoys being on the field when he can and helping future NGA athletes.

Outside of school, he participates in the Greene County 4-H program. He has competed on the shotgun team for five years. He also competed in the District Project Achievement in the Food Preparation division. This year, he is in the Chick-Fil-A Leadership program.

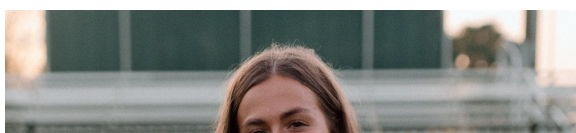

After graduation, Jay plans to move to Wyoming to work on a ranch. He will then return home and join the workforce. Jay wants to thank all his teachers and peers at NGA for the memories he will never forget.

Logan Underwood - Lake Oconee Academy High School

Hello, my name is Logan Underwood and I would like to give you some background information about me. I go to Lake Oconee Academy High School, and I am a senior about to graduate with the class of 2024. I am very excited about graduating because after I graduate, I plan to go to Athens Technical College and work at Lake Oconee Academy with the athletic director. I plan to go to Athens Tech to study Emerging Technologies. When I have free time during school, I help the athletic director with anything he needs, so it's like an internship for the future part-time job I will hopefully have with the school next year. During my free time, I spend time with my family either playing some board games, having a conversation that's an hour long or just hanging out with the two dogs we have. I also work for the concession stand we have at Lake Oconee Academy during home games like soccer, basketball and football. I love what I do. It's a great way to get to know people that you have never met before. I also enjoy doing service for the community, regardless of what I must do. I love to help people in any way I can.

Lastly, I would like to thank everyone who has supported me throughout my high school years and if I could put in multiple teachers that have influenced me I would, but unfortunately, I can't, so I will just say thank you teachers for all the things you have done for me.
