## The Rotary Learning Year Continues

By Donald W. Martin

We have more learning, training, and development opportunities than ever before! From becoming a great club leader to having a great club, there is an opportunity for you to develop your skills this spring. Even better, these skills can translate into your professional career. Check it out!

**Rotary Leadership Institute (RLI)** - March 16, 2024. District 6920 Rotarians will be joining District 6910 for a full up RLI in Thomson, GA outside Augusta. We are offering all 3 undergraduate courses + 2 Graduate Courses. If you live from the middle of the District to the Eastern boundary this event was scheduled for you. Please take advantage of this great opportunity while it is served up right in your backyard. Registration is open on DACdb and seats are still available in all classes.

**District Conference** - April 26-28, 2024. You never know what will happen when a District Conference gets rebuilt from the ground up in mid-year. This year's team has added 4 concurrent break-outs - any or all of which will make a valuable addition to your weekend.

- Increasing Our Impact
- Expanding Our Reach
- Enhancing Participant Engagement
- Increasing Our Ability to Adapt

**District Assembly** - May 18th. This learning event is targeted at helping Club leadership teams prepare for the next Rotary year. Over 20 breakouts with subjects ranging from Club Secretary and Club Treasurer, to Grants & Fund Raising, to How do I find a place to serve above the club. and maybe even a speaker on how your club can get involved in Rotary's new Rotary Action Group on Environmental Sustainability. Toss in some good food, a central location, lots of great Rotary exchange of ideas and information and it is a can't miss Saturday.

Your District Leadership Team spends hundreds of hours preparing learning opportunities for you every year. In order to benefit from that investment, you need to come and participate.
