Rotary District 6910 Making a Splash in Haiti: Bringing Clean Water to Communities

Did you know millions in Haiti lack access to clean water? Rotary District 6910 is partnering with HANWASH to change that. **Click the link to learn how YOU can help bring clean water to a community in Haiti!**

Since 2018, Rotary District 6910 has been a proud supporter of the HANWASH Initiative. This vital program aims to provide safe, sustainable, and affordable water and sanitation to every Haitian citizen.

The initiative tackles a critical challenge: Access to clean water is essential for good health and quality of life, and unfortunately, many communities in Haiti lack this basic necessity.

Rotary's commitment is unwavering:

- Partnering with the Haitian government and NGOs like DINEPA and Haiti Outreach.
- Contributing to the construction of wells in key communes like Cavaillon, Leogane, Pignon, Terre Neuve, and Ferrier.
- Launching the "Adopt-a-Well" program, allowing Rotary clubs across the globe to join the effort.

This year, under the leadership of District Governor Brandy Swanson, the "Adopt-a-Well" program is gaining momentum.

- Clubs can contribute to the \$25,000 needed to construct a fully functional well, bringing clean water directly to a Haitian community.
- Several clubs, including Conyers, Rockdale, Gainesville, Madison, and Athens, have already stepped up with generous donations.

How You Can Help:

- Visit <https://www.hanwash.org/> to learn more about the "Adopt-a-Well" program.
- **Rotary Clubs:** Contact the District 6910 Admin Office (770-538-0909) or donate via check to the RI District 6910 Office (address provided).
- **Individuals:** Contact the HANWASH District Chair Suchet L. Louis, Ph. D - (678-920-3168) for inquiries.

Together, we can make a significant difference in the lives of countless Haitians. Your contribution, big or small, brings clean water and hope to communities in need.
