### July 25, 2022: Ann Woodruff, Canopy Studios

Sunday, July 24, 2022

Ann Woodruff assumed the role of Executive Director of Canopy in September 2021. Prior to that, she was the Children's Programming and Outreach Director. She is an honor graduate from the University of Georgia in the field of Special Education and a former self-contained middle school teacher. She is a life-long learner, having received additional aerial training from the New England Center for Circus Arts (Necca), Ecole Nationale de Cirque (ENC) in Montreal, Victor Fromine's Ecole Leotard in Montreal and Cirque School LA (Los Angeles).

Ann has served on the Board of Directors of Extra Special People and Canopy Studio, as well as Chase Street Elementary School's Local School Governance Team. Ann is a founding member of Canopy Studio's Repertory Company, having begun aerial dance instruction under Canopy's founder, Susan Murphy, at UGA prior to Canopy's inception. She teaches all levels of students at Canopy, from beginning three and four year olds through advanced teens and adults; many of her students remain at Canopy until their graduation from high school. Ann also trains all Jr. level teachers in the Canopy kids program, focusing on research-backed teaching methods for students of all abilities.
