

This Week....Kaye Minchew-Author

Kaye is a historian and archivist. Her book *A President in Our Midst: Franklin Delano Roosevelt In Georgia* was published by the University of Georgia Press in May 2016. Minchew was named the Georgia Author of the Year Award for History in 2017. A second book, *Managing Local Government Archives* was published by Rowman and Littlefield and received the Christine Zanotti Award from ARMA International. Her latest book, *Jimmy Carter: Citizen of the South* will be published by UGA Press in this spring. She served as Executive Director of the Troup County Historical Society from 1985 until 2015 and has degrees from University of North Carolina at Asheville and UNC Chapel Hill. She is recipient of the Georgia Historical Records Advisory Board Lifetime Achievement Award and is a Fellow of the Society of American Archivists and the Society of Georgia Archivists. She testified before Congress about the National Historical Records and Publications Commission in 2010. She received NAGARA Distinguished Service Award in July, 2016.

Next Week...Jim Sprouse-GA Hotel & Lodging Association-Executive Director

Rotary Announcements

- **Rotary Golf Tournament - April 23, 2021 - Cherokee Golf Club**
- We will have a workday at Lighthouse Village on March 27th. Please go ahead and put this date on your calendar. Please click on the link below to sign-up if you plan to participate. <https://forms.gle/UJK6W2Uzvx2T5FU39>
- We have always supported the Rotary Program "Coins for Alzheimers Research" (CART) by leaving our spare change in the blue buckets at our tables and multiple times we have led the district in money raised. The opportunity to donate money into the buckets has not been available to us yet this year, but that doesn't change the fact that Alzheimers Research still needs our support. Please take a moment to sign on to <https://mycartfund.org/login.cfm> and donate to this worthy cause. Our club has a goal of \$1,000 this year. I'm sure everyone knows someone who has been affected by this disease so please support this research if at all possible.
- Marty and Dr. Boyle, in conjunction with Lynn Vineyard Miller, are participating in providing breakfast and lunch meals to 30-40 people at Rockdale and Newton Hospitals a couple of times a week. We have about \$900 leftover from raising money for first responders that we are contributing to the program. If you wish to donate to this cause please send Kim a check marked for first responders and let myself or Marty know your are sending the donation.
- The Chamber is also sponsoring a program to support our healthcare heroes. They are requesting that you donate snacks (premade individually wrapped) that will be placed in the hospital breakrooms. To minimize visits to the hospital you can drop the snacks off at the Chamber (936 Green Street) through the end of January between 9-4 on Monday - Thursday.
- The Georgia Laws of Life still needs volunteers to read essays for the competition. All they need to do is [CLICK HERE](#) to sign up to read. We know that this is one of the most rewarding parts of a Rotary Club's sponsorship.

HOT NEWS: Fun in the Sun

Who is ready to have some **Fun in the Sun**? The [District 6910 Conference](#) isn't at Jekyll this year, so we are bringing the beach to you! Your conference committee has been working hard to plan a wonderful **Virtual District Conference** event to include Rotary fellowship, fun activities with in-person options, excellent speakers, and a Pack-A-Backpack Service Project.

In this newsletter, you will find valuable information about registration, our virtual conference platform [Whova](#), conference activities, our virtual House of Friendship, and Club Hospitality Suites. We hope you will plan to participate in all the activities offered throughout the two-day event. The entire event is designed to be a fun time to interact and network with other Rotarians within your Clubs and across District 6910.

AGENDA:

Friday, April 23, 2021

12:00 pm - 1:30 pm *General Session 1*
 5:00 pm - 5:30 pm *It's 5:00 Somewhere*
 5:30 pm - 6:00 pm *HOF Scavenger Hunt*
 6:00 pm - 7:00 pm *Club Hospitality Suites*
 7:00 pm - 8:00 pm *General Session 2*

Saturday, April 24, 2021

10:00 am - 11:30 am *General Session 3*
 5:00 pm - 5:30 pm *Wine Tasting / Education*
 5:30 pm - 6:15 pm *Beach Bash*
 6:15 pm - 7:00 pm *Club Hospitality Suites*
 7:00 pm - 8:30 pm *General Session 4*

REGISTRATION:

Registration will be open and available by March 10 through DacDB!

COST: \$25.00 per Rotarian, \$15.00 for Guests/Rotactors/Interactors

WHERE: <https://www.dacdb.com/index.cfm?EventID=77520155>

WHY: Each registrant will receive virtual registration gift(s) and a chance to win excellent door prizes. One lucky person will win a grand door prize valued at \$1200!

Additional Opportunities for Door Prizes: Special drawings and gifts will be presented during General Session 3--TRF Major Donor Recognition.

**Only those who register for the conference are entered into the drawings. Must be present to win.*

WHOVA

This year's District Conference will be through an event platform called Whova, chosen to create a much more engaging and interactive experience for you while attending sessions, interacting with other attendees, and visiting the virtual House of Friendship. Connect and network with your fellow District 6910 Rotarians and remember to vote in our Beach Blanket Photo contest!

Attendees will be able to experience the conference from either a computer or from the Whova Mobile App on an iPhone or Android device. Stay tuned for more details as we get closer to the event. We'll have opportunities for you to learn more about the platform and test your access before the event.

It's 5 O'Clock Somewhere

It's always 5 o'clock somewhere, and on **Friday, April 24 from 5:00 to 5:30 pm**, you can join us at your favorite dive bar or in the comfort of your home as we learn from one of the best Mixologists, Freddy Ramirez from Reynolds, Lake Oconee. Get ready for some great cocktails and great fun at our virtual happy hour!

If you don't drink, don't worry! Non-alcoholic versions of these drinks can be enjoyed by everyone.

We'll prepare you in advance by emailing drink recipes to you when you register.

Wine Tasting / Education

On **Saturday, April 24 from 5:00 to 5:30 pm**, "wine" down the conference with the Women of Rotary! Wine is everywhere, we'll be pouring a rare Georgia Fruit "country wine" at the virtual conference. Look no further! Join some of the ladies of Rotary from Sweet Acre Farms Winery (at 7584 Bill Wilson Rd. Alto, GA 30510) who will host a virtual tasting with some fascinating educational notes. Matt Vrahiotes, owner and operator, will also share his story about becoming the first winery in Hall County, along with what makes his wines so unique, and give us a virtual tour while we're tasting. Order your bottle(s) in advance online at www.sweetacrefarms.com

Beach Bash

On **Saturday, April 24 from 5:30 to 6:15 pm**, grab your beach towel, sunglasses, favorite Hawaiian shirt, and join us for our virtual Beach Bash. Join Gainesville Rotarian, Chef Mike Giles, and Gary Black, the Georgia Commissioner of Agriculture, in the Georgia Grown Kitchen as they cook a traditional Low Country Boil. We're bringing the outdoor Low Country seafood boil experience inside, sizing it for the stovetop and preparing a meal for two (or a few extra people)!

Focusing on locally sourced food, this meal is one that will satisfy your palate while you learn the history of the dish, including the farmers and fishermen who supply the ingredients.

We will provide an article on the history of this culturally important cooking tradition and a detailed list of ingredients and equipment needed to prepare everything in your home kitchen. You'll be ready to cook along with Mike and Gary during the virtual, live Beach Bash broadcast. The recipe will be emailed to you after you register.

For those who are allergic to shrimp or other shellfish, optional ingredients will be suggested for you to enjoy the Low Country Boil experience.

House of Friendship

Plan to spend some time in the virtual House of Friendship this year. In order to have a ♦booth♦ at the HOF, clubs need to register no later than March 19 by downloading and submitting the [House of Friendship Registration Form](#).

Clubs can participate in the HOF by sending in a short video, pictures, or documents of a service project or fundraising event. The videos will need to be sent in by March 31. There is no cost to submit the video and participate in the House of Friendship. Clubs will be notified once they have registered with instructions on the process of uploading their HOF materials into our Whova Virtual portal.

Conference attendees can participate by visiting the HOF room and watching the videos. While you are there, you can get the answers to the clues for the virtual scavenger hunt held on April 23. The winner will have a chance to win prizes! If your club wants to participate and has questions, please get in touch with Jessica Fleetwood at jbfleetwood1@gmail.com or Cindy Haddon at chaddonrotary08@gmail.com. Otherwise, simply complete the [HOF registration form](#).

Pack-A-Backpack Service Project

What is the Project? Purchase backpacks and school supplies, fill the backpacks with the supplies, and distribute the backpacks to students in your community who need them. Include a note of encouragement in each backpack.

For additional information, including step-by-step directions and a suggested supplies list, [check out the full details](#). You may also contact Donna O♦Neal, donnaoneal1050@gmail.com, 404.630.0427

Club Hospitality Suites

Club Hospitality Suites are a time when we rekindle friendships; many of these friendships have been built over several years of conferences. Then, there will be new and instant friendships made. We exchange Rotary experiences of how to build clubs, how to maintain enthusiasm, and how to bounce back from unforeseen drops in memberships. Each hospitality suite is a melting pot of personalities, educational levels, cultures, and shared successes and failures.

Our virtual conference platform is very user friendly and interactive. Club Hospitality Suites will be held on **Friday, April 23, 6:00 pm to 7:00 pm**, and **Saturday, April 24, 6:15 pm to 7:00 pm**.

Club Requirements: Each club will need a Zoom account and designated club member to host a Hospitality Suite. Free Zoom accounts allow up to 40 minutes per session. For +40 minutes, a paid Zoom account is needed.

There is no charge to have a Club Hospitality Suite--just [click on the link to register](#)! After registering, you will be emailed instructions for setting up and running your Club Hospitality Suite, which will be listed in the online Conference Agenda for others to "attend." The registration deadline is March 19.

So, are you ready for some FUN IN THE SUN?

We hope that we have given you a glimpse of what our **Fun in the Sun Virtual District Conference** is all about! We need you ALL to **REGISTER NOW** so you do not miss out on any **Fun in the Sun!** In the coming weeks, we will continue to update you with information about the **Fun in the Sun Virtual District Conference**.

For any additional questions about this year♦s conference, please contact Dianne Cammarata at dicamma@bellsouth.net.

News Worth Celebrating

By DG Tina D. Fischlin on Saturday, March 6, 2021
Happy March, Rotary District 6910!

As we head into the 3rd month of 2021, we have a lot to be thankful for. Most importantly, many Rotary members in our District have received or are beginning to receive the COVID-19 vaccine. I love how almost every club I visit has a Happy Dollar announcement from a Rotarian who just received their first or second dose. This is news worth celebrating! We aren't out of the woods yet though mask wearing, handwashing and social distancing are still the keys to keeping ourselves and each other safe.

March is Water, Sanitation & Hygiene month. Did you know that 2,200 children are dying every day from a lack of access to clean water? Clean water, safe sanitation and healthy hygiene are basic human needs, but millions of people throughout the world including in our own communities do not have access to resources to meet these basic needs. Rotarian Suchet Loois has an update in this newsletter on HANWASH and how the District is supporting these efforts.

We continue to open the doors of opportunities with our Feed 10 Million Meal Challenge. At press time, we will have provided 1,477,584 meals this Rotary year!

From the Rotary Club of Athens, Rotarian Sarah McKinney shared the following story:

At 8pm last night, I received a call from a local pastor that the food distribution they had planned for today fell through. They had planned for a USDA truckload of commodities, and due to logistics, the trucking company cancelled. She needed help to make good on her promise to feed neighbors near the Church. I sent Richard Boone and Sherry Anderson at the Food Bank an urgent email to help. At this VERY moment, they are loading a truckful of Farmers to Families (and more) from our Rotary Clubs and headed over to be the heroes (Food Bank) to the heroes (Church) to feed our neighbors."

Rotary Rocks. The Food Banks Rocks. Our neighbors Rock. A little Friday morning tear doesn't feel too bad. Bless you all.

Sarah McKinney, President/CEO Athens Area Community Foundation

Keep up the good work Rotary District 6910 Rotarians!

From I will echo Sarah's encouraging words: KEEP UP THE GOOD WORK, Rotary District 6910 Rotarians!

HANWASH Update

By Suchet L. Loois on Saturday, March 6, 2021

The many operational and monetary challenges involved in the successful implementation of the Haiti National Clean Water Sanitation and Hygiene Strategy, more commonly know to Rotarians as HANWASH, continues to mount in the COVID environment. The Rotary focus in March is Water and Sanitation, so we asked our District 6910 HANWASH Chairperson, Dr. Suchet Loois, to provide our members a current update on the program.

Haiti National Clean Water Sanitation and Hygiene Strategy (HANWASH) is a District 7020, Rotary International (RI) transformational program that began in 2018 when Barry Rassin was RI President. It is a Zone 30-34 program.

HANWASH is designed to be implemented over several decades and may cost more than \$2 billion. RI will cover up to 20% of the cost and the remainder should be leveraged from the private sector and major donors operating in Haiti and around the world. This program is administered by a diverse, 18-member Steering Committee (SC) which continues making progress.

To date, RI has funded two Global Grants (GG) focusing on one pilot commune: Cavaillon, South of Haiti. Those two GG were administered by the Rotary Club of Les Cayes. It will cost about \$2 million to complete the work. It may cost the same for each of the 144 communes in Haiti.

Since there is no GG in this 20-21 Rotary year, the SC is now applying for multiple grants from large donors like World Bank, USAID, UNICEF, and World Vision. There was a formal board meeting, and the SC with eleven subcommittees planned to diversify the fundraiser.

They plan to work in one pilot commune in each of the four OREPAs (regional boundaries) once funding becomes available. They include the following:

-OREPA South, Cavaillon, which has been the first pilot commune.
-OREPA North, Ferrier.
-OREPA Center, Pignon.
-OREPA West, Leogane.

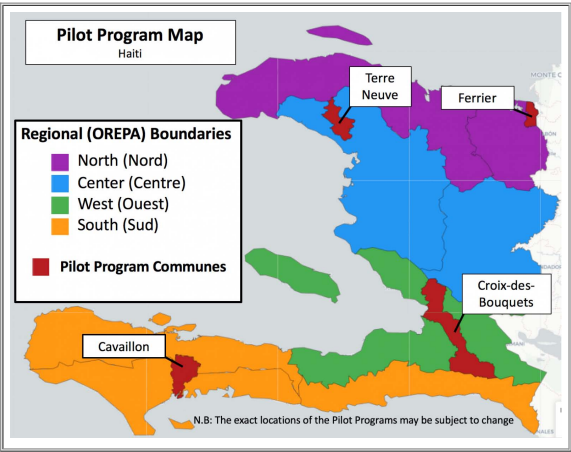

They have identified Champion Districts for the four pilot Communes.

The SC requests that Districts and individuals make contributions toward a grant or a pilot commune's water and sanitation activities. They will use club and individual donations as matching funds.

The HANWASH District 6910 leadership reminds Clubs and Rotarians that there was no RI matching fund left this year for any of these projects. Therefore, they are asking any Rotarians or Clubs that want to contribute to send their contributions to the HANWASH donor fund with the understanding that there will be no credit toward the Paul Harris award. Hopefully, next year the SC will apply and receive a RI Global Grant.

It is important to remember the history of HANWASH to strengthen our present commitment to sustaining its successes in the long haul. The 2007-2008 RI President Wilfrid Wilkinson traveled to Haiti to attend a water and sanitation summit organized by the Rotary Club of Petionville. His theme was "*Rotary Shares*." At the time he met with the Haitian President, the late Rene Preval, and made a Rotarian pledge to map out water resources throughout the country for the purpose of solving the long-term water and sanitation dilemma in the country. During this event, PRIP Wilf planted the seed of HANWASH, so to speak. He told us, "If one strong common thread exists among our 1.2 million members, it is our willingness to share."

From the outset, our District 6910 and Rotarians welcomed the call to support HANWASH and to share our time, talents, expertise, and money to contribute to HANWASH's successful, multi-decade implementation and help ALL Haitians enjoy affordable access to potable water and sanitation.

Great Service Project Ideas for Water and Sanitation

By Schelly Tennant Marlatt on Wednesday, February 24, 2021
March is Water and Sanitation Month in the Rotary World. We want to provide all of our clubs in District 6910 with ideas on how your group can get involved and help to protect our waterways and the environment (click below to read more).

GREAT SERVICE PROJECT IDEAS FOR WATER & SANITATION MONTH

March is Water and Sanitation Month. Here are some great service project ideas that your club can participate in to help protect our waterways and environment:

- 1. Adopt-a-Road:** Select a road in your community and coordinate a cleanup by picking up litter and other debris such as tires, car parts, illegal signs and more. These types of cleanups will prevent litter from ending up in our precious waterways. If you have a Keep America Beautiful affiliate in your area, they will gladly provide you with supplies to conduct your cleanup and even remove the debris for you.

2. **Adopt-a-Stream:** Is there a stream, lake or pond near you that has been an eyesore due to litter or invasive plants? Take the initiative by coordinating a cleanup to remove debris and/or privet removal. If you want to expand your impact, consider participating in a training workshop in your area to learn how to monitor water quality and care for a local waterway.

Georgia
Adopt-A-Stream
Volunteer Water Quality Monitoring

3. **Storm Drain Stenciling Program:** Storm drains are designed to prevent flooding by carrying rainwater from our streets and rivers. They can become clogged with leaves, grass, litter, which can cause flooding and pollution to flow into our state's precious streams and rivers. Organize a group to clean up storm drains. Many counties offer programs through the Storm Drain Stenciling Program where concerned citizens and volunteers stencil ♦No Dumping ... Leads To Stream♦ on catch basins. Educational material is included for distribution to provide important information to residents about non-point pollution and ways to reduce it on their property. Supporting our environment is one of the many ways Rotarians can bring about positive change in the world and increase our impact of strengthening the conservation and protection of natural resources, ecological sustainability and making our world a better place.

Rotary Has Heart: Feed10Million Update

By Randy Redner on Monday, March 1, 2021

DISTRICT 6910 ROTARIANS SHOWED A LOT OF HEART IN FEBRUARY ♦ LET ME COUNT THE WAYS!

- ♦ Provided 462,004 meals in February ♦ That's an average of 115,000 meals a week
- ♦ Surpassed our 1 million meal challenge from DG Tina ♦ Did it in just over 7 months
- ♦ As of February 28, we provided 1,320,226 meals provided
- ♦ Set a new goal of 2 million meals by June 30

For the latest update from D6910 Feed10Million Chair, Randy Redner, click the [read more link](#).

Click [HERE](#) to watch our new Feed10Million video update and please share with your club members.

Here are the two things your club can be doing right now to support the Feed10Million campaign:

1. [Farmers to Families](#) (see flyer [attached](#)) ♦ This is a USDA program that in response to COVID provides food truck deliveries for free through local charitable organizations like Rotary. Doug Bolton out of the Covington Club is coordinating deliveries across the District, so if your club is interested in receiving one of these truckloads of free food, contact Doug at dougbolton@yahoo.com.
2. **Log your meal projects** - Remember, in Rotary it doesn't count until the paperwork is done, so click [HERE](#) to log your meals each time you complete a project.

Thanks again for providing over 1.3 million meals so far in this Rotary year to families in need. Remember, the new goal is 2 million meals by June 30! If you have any questions, just reach out to me at redner@cfneg.org or on my cell at 404-273-1292.

Leadership Spotlight: Seth Robison

By Paige W Havens on Monday, March 1, 2021

As we continue our monthly leadership spotlight on Rotarians that volunteer to take on challenges and responsibilities at the district level, this month we'd like to introduce you to Seth Robison, from the Rotary Club of Athens. Pictured above: Seth and Haley with their son Dean celebrating his 3rd Birthday. Dean had so much fun, he now asks them weekly when he can have another birthday!

Seth Robison was born in the Texas heartland. At the age of seven, his family moved to Fort Myers, FL, where he spent the remainder of his childhood years. Since the age of 13, his family has made an annual migration to Key West for lobster season, and that's one his favorite yearly traditions. Today, Seth, his wife Haley, and their three-year-old son Dean proudly call Athens, GA, home. Seth works as a CPA and is a partner at the firm Resource Partners. In 2015, Bob Booth invited Seth into the Rotary Club of Athens. In his six years of membership, he has enjoyed volunteering for his Club's annual BBQ fundraiser, serving as a Salvation Army bell ringer, helping purchase items for the Angel Tree program, and raising funds for their Rotary Plungefest. Seth is one not to ask anyone to do something he's not willing to do himself, so yes, he too has taken the frigid plunge! In recent years, Seth began taking on leadership roles at the District level and now serves as the District's Assistant Treasurer and member of the District Finance Committee. When asked what Doors of Opportunity Rotary has opened for him, Seth says, "I've formed a lot of great relationships with my fellow Rotarians. I've really enjoyed being a part of this great community and working with likeminded individuals who want to do everything in their power to make this world a better place for all." The Robisons really enjoy the outdoors and traveling to new places, so they get out and go whenever they can. For fun, Seth likes woodworking and doing projects around the house. When he needs to let down and chill out, you'll find Seth sinking into the couch, watching brain-drain TV or movie classics like *Back to the Future* or *Raiders of the Lost Ark*. We've also been tipped off that Seth is a sucker for a good rom-com! Seth actually has a hidden talent few know about--he can walk on his hands. Maybe we can get him to show off his skills at a future District Conference. Seth and Haley are eagerly anticipating the arrival of their second child in April and are excited to do their part to help raise the next generation of Rotarians.

21 Day Racial Equity Challenge

By Paige W Havens on Friday, February 19, 2021

As Rotarians, while becoming more and more aware of the disparities that many people in our communities face, we are committed to work as community leaders to help address those needs. Starting in March, Rotary Districts 6900, 6910, and 6920 will work in partnership with United Way of Greater Atlanta to promote a powerful 21-Day Racial Equity Challenge, giving all Georgia Rotarians the unique opportunity to take a deeper dive into the discussion of racial equity and healing. The challenge will be a free, self-guided learning experience where participants will receive three emails per week for seven weeks (hence 21 total days) with readings, videos, podcasts, and ways to take action. The learning will explore the history and impact of racism in our communities and how it's shaped community development work across the Atlanta region and beyond. This is a great opportunity to learn more, grow as an ally, and advocate and reimagine a united path forward. Invite your Club members, friends, and family to join with us to take the 21-Day Challenge!

ROTARY CLUB OF ATHENS DONATES 10,000 MASKS TO CLARKE COUNTY SCHOOL DISTRICT

◆We are so appreciative of the collaboration with the Rotary Club of Athens. As a school district we know we cannot do this work alone - it will take community collaboration to move the needle. Our local Rotary club continuously exemplifies a laser focus in Improving our community through their consistent civic engagement, advocacy, and support of our efforts. The donation of masks means we will be able to keep our staff and students safe. We are so proud of our partnership with the Rotary Club of Athens and know we are better together. ◆

Rotary Club of Braselton

The Rotary Club of Braselton continues to work hard on the Feed10Million campaign. They had lots of volunteers out to help with the "Farmers to Families" food truck campaign which resulted in 1,100 boxes and over 32,000 meals.

Rotary Club of Canton

On February 16, the Rotary Club of Canton featured a special program on the Rotary Peace Fellowship and the Duke/UNC Rotary Peace Center.

Carpet City Rotarians Jackie Killings and Mary Thelma Norris deliver gift cards to the staff at the Whitfield County Health Department.

The Carpet City Rotary Club adopted two families with special needs children and helped them have a great Christmas. Club Foundation Chair Amy Grammer worked with Whitfield County Schools and Dalton Public Schools to identify one family from each system. Club members purchased nearly everything on both families' wish lists including toys, clothing, blankets and kitchen appliances. Additionally, each family received a \$100 gift card to the local grocery store. Grammer and one other club member loaded up their SUV's with the items and delivered them to the families.

Both of these Carpet City Rotary Club stories were featured in the Daily Citizen-News of Dalton, Georgia.

In these times of isolation and stress because of the virus pandemic, The Rotary Club of Cherokee County has reached out to those most isolated and needing a reminder that they are in our thoughts. The Rotary Club of Cherokee County, through the generous contributions from Floral Design by H.C. and Poole Funeral Home, gave 64 bouquets of flowers to Woodstock Nursing Home residents on Valentine's Day. President Carol Cage and

Rotarian Mike Dietzel collected the flowers and delivered them to the Townelake facility (photo).

Rotary Club of Clayton

The Rotary Club of Clayton took it upon themselves to thank the front-line Covid-19 Rabun County Healthcare Heroes.

They distributed approximately 150 gift card packets worth more than \$100 and 150 thank-you cards with personal messages of thanks to Rabun County's front-line healthcare workers.

That's \$15,000 that brought a whole lot of smiles and a much-needed boost to the local economy, both of which have been hard-hit by the pandemic.

Dear Wayne:

I hope this finds you well.

I write to you today on behalf of all the healthcare and frontline workers of Mountain Lakes Medical Center.

I was taken aback to learn of the efforts of the Rotarians to provide gift cards not only to our clinical staff, but also those of Rabun County Emergency Services and the Rabun County Health Department.

The thoughtfulness and time that was undertaken to raise the funds, and the underlying support shown from the Rotary throughout the months of this pandemic are truly inspiring, and we could not be more thankful.

During these times, our team is dealing with unprecedented demands both personally and professionally, as are all Americans.

At work we are fighting an invisible foe, which does not react to our ordinary treatment methodology, while also being thoughtful in keeping our patient's families involved and informed from a distance, like never before.

At home, we are having to mentally decompress and manage stress more so than ever before, distance from our families, and also manage the same challenges of 'social distancing' and isolation as the rest of our country.

Rotary's recognition of these challenges is a reminder to all of our staff, and community partners, that the Rotary is supportive, caring, and involved. We are eternally grateful to feel such overwhelming care and concern in these unprecedented times.

Sincerely,

Matthew Lemak, CEO
Mountain Lakes Medical Center

Healthcare Heroes

Rotary recognizes Rabun's first line of defense

By Megan Broome

Staff Writer

CLAYTON-- The Rotary Club of Clayton recently recognized the efforts of local First Responders, who have been on the front lines of the national health emergency for nearly a year.

Last week, Rotarians delivered 150 hand-written thank-you notes to employees at the Rabun County Health Department, Rabun County EMS and 911 and Mountain Lakes Medical Center.

◆We appreciate all of our public servants, but we wanted to especially recognize those fighting on the front lines during this pandemic,◆ said Wayne Knuckles, Rotary President. ◆They literally risk their lives every day to care for our community.◆

Along with the letters of thanks, Rotary distributed \$15,000 in gift cards to be redeemed at Rabun County businesses.

◆Our goal was both honoring some very deserving people and to help stimulate the local economy with a much-needed economic boost,◆ Knuckles said. ◆We considered that a win-win.◆

◆We were looking for some way to give back to the community,◆ said Matt Mitcham, Rotary Secretary. ◆We need to take care of the First Responders and front-line healthcare workers in our community. I think we all feel a respect and appreciation for the people taking care of us in this dark hour.◆

The letters of thanks were addressed to each individual by name.

◆We wanted to personalize them,◆ Mitcham said. ◆Bring a touch to it from the Rotary Club.◆

Mitcham said that the money raised for the project will go directly into the local economy.

◆We are especially appreciative of Reeves Hardware, Chick-fil-A and Sunday Diner for also supporting our community,◆ Knuckles said. ◆As well as all those whose generous contributions made this possible.◆

◆I was speechless,◆ said Dulene Jones, county nurse manager for the Rabun County Health Department, about how she felt receiving the gifts from Rotary. ◆It means more than words can express.◆

Mike Carnes, EMS/911 director, said that his department was grateful for the gesture. ◆I appreciate them for their support during the pandemic,◆ Carnes said.

◆It's such a blessing and we appreciate this so much,◆ said Rachel Cowart, Chief Nursing Officer of Mountain Lakes Medical Center, when Rotary presented the hospital with the gifts. ◆It's such a huge blessing to our staff. This is a solid way to say thank you and we appreciate it.◆ She said that the pandemic has tested her staff in every way possible and they are eternally grateful for the recognition.

◆Rotarians are known as people of action,◆ said Knuckles.

◆And the same can be said of the entire Rabun County community. I◆ve never heard of a need that the people of this community have not stepped up to try to help. Once again, Rabun County residents stood tall.◆

These goody bags were delivered to frontline healthcare workers with the help of Help for Healthcare Professionals. The Club donated hundreds of bags towards this effort.

Rotary Club of Hartwell

The Rotary Club of Hartwell hosted a Farmers to Families food distribution on February 27. 1100 boxes totaling 34,100 pounds of fresh food were given away at the drive thru event. In addition to several Rotarians, many other individuals and organizations in our community volunteered to help make this project successful including Boy Scout Troop 51, Hartwell Service League, Kiwanis, Hart Interdenominational Ministry, Golden K, St. Vincent de Paul Society, Hart Senior Center and Hartwell First United Methodist Church. We are grateful for the community support we received. It was an honor to be able to help meet the need for food in our community.

The Rotary Club of Hartwell distributed 2000 face masks to Hart County Schools, Hart County Sheriff's Department, Hart County Fire Department, Hartwell Police Department, Hartwell Fire Department, Hart County Library and the Hartwell Arts Center.

What's Your Club's PPP (Post-Pandemic Plan)?

Sunday, February 28, 2021

By Peter Gleichman
District Community Service Chair

As we approach the one-year anniversary of the start of the COVID-19 pandemic, with the distribution of three approved vaccines, we are beginning to see in the distance "the light at the end of the tunnel." Our Rotary clubs can begin to imagine meeting again in person. But will we resume meeting only in person and leave the virtual meetings behind? Or will we incorporate some of the lessons we learned and opportunities that arose during the pandemic?

Will virtual attendance, which allows many time-challenged Rotarians to participate in Rotary meetings without the additional travel time to and from club meetings, become a regular post-pandemic option? With Rotary's emphasis on flexibility of membership categories, what about virtual members in addition to "brick and mortar" members?

What have our Rotary clubs learned about their communities' needs during a medical and economic crisis? Do we leave those experiences behind or do we incorporate those lessons into our clubs' strategic and disaster planning? One could argue that the onset of the pandemic dictated community need for food, personal protective equipment, and the like. The call to action was perhaps identified for us, but will those needs actually disappear? And how do we accurately assess our communities' needs going forward?

As we begin to emerge from sheltering and physical distancing, how do we perform our community service projects? Will the temptation to be with one another and work side by side in the community cause us prematurely to abandon the hard COVID-19 lessons we learned?

With planning for the new Rotary year in high gear, now is the time for your club to be doing its post-pandemic planning and thinking critically about how to move forward from the Opportunities Rotary Opened to **Serving to Change Lives!** We are **People of Action**, but we must be **Focused People of Action!**

The Rotary Club of Greene & Putnam Counties had a "Rotary Has Heart" Trifecta

By Donna H O'Neal on Thursday, March 4, 2021

The Rotary Club of Greene and Putnam Counties went all out in February to show the world that "Rotary Has Heart." Click below for more photos and to read about the details.

The Rotary Club of Greene & Putnam Counties Had a **Rotary Has Heart** Trifecta!

- **Project HealthCare Heroes** was created by the Rotary Club of Greene & Putnam Counties in March 2020 to provide food, support, and encouragement to healthcare workers at Putnam General Hospital and Good Samaritan Hospital during the COVID pandemic. With the more than \$60,000 we have raised for the project, we purchase meals from local, struggling restaurants, and Rotarians deliver them to the hospitals.
- The EarlyAct Club of the Pete Nance Boys & Girls Club was inducted recently by District Governor Tina, Rotary President Lu Byrd, Rotary Immediate Past President Donna O'Neal, and Stacy McClendon, Rotarian and Director of the Boys & Girls Club.
- During the same week, the EarlyActors' first project was to make **Rotary Has Heart** posters and Valentine goodie bags that were delivered with meals to the day and evening shifts of both hospitals on Valentine's Day.

Yes, **Greene & Putnam Rotary Has Heart!**

Early Act Letter Writing Campaign

By Jeremy Echuck on Thursday, March 4, 2021

District 6910 Early Act and Interact students got on board to support a letter writing campaign in February. The results were phenomenal. Click read more to find out how many letters were sent!

Remember those days when you got a good old fashion letter or handmade card? No clicking involved; no battery needed; just handwritten words on a page. Well, the youth members of Rotary District 6910 have been hard at work delivering that experience to some of our most vulnerable members of our communities, the seniors restricted to nursing and assisted living facilities. In a combined effort from our Interact and EarlyAct clubs these students have created almost 5,000 handwritten letters and cards to distribute to local facilities. According to a member of the youth services team, ♦the success of this project was a combination of commitment from club sponsors and the creative energy of our students. It is truly amazing what they have been able to accomplish and how impactful it must be for those seniors♦. In a challenging environment, I think this is a good reminder that with a little effort and energy; we can still make a big impact in our local community.

FEBRUARY 23 PROCLAIMED ROTARY DAY IN CHEROKEE CO.

By Francisco Javier Lozano on Tuesday, February 23, 2021

While we Rotarians know that every day of the year is "Rotary Day," the The Rotary Club of Canton went to the extra effort by working with the Board of Commissioners in Cherokee County to have February 23 proclaimed as "Rotary Day" in Cherokee County! This is a great public relations / public image initiative.

In recognition of the service provided to the Cherokee County community by the Rotary Club of Canton and three other Rotary clubs in our county, the Board of Commissioners issued a Proclamation at its February 16 meeting declaring February 23, 2021, Rotary International's 116th birthday, as "Rotary Day in Cherokee County."

Cherokee County Commission Chair Harry Johnston, on behalf of the entire Board, read a signed Proclamation, acknowledging Rotary's role in the last 35 years eradicating polio in all but two countries (Pakistan and Afghanistan). The Proclamation also cited the outstanding work of the Area 16 Rotary Clubs in helping to reduce food insecurity to hundreds of individuals and families during the pandemic.

President Shane Moore received the Proclamation on behalf of the Rotary Club of Canton. Also present for the ceremony was Past President Erika Neldner on behalf of the Rotary Club of Towne Lake.

Let's Talk Zones -- Part II

By David Roper on Thursday, March 4, 2021

This month we are continuing our overview of Rotary Zones with part two. Last month, former Rotary International Director (2018-20), David Stovall, provided an excellent overview of structure and how zones fit in the overall hierarchy. This month, another past R.I. Director (2002-04), J. David Roper, will delve in more of an explanation of the purpose and function of the zones. Click read more for the details.

By J. David Roper
RI Director 2002-04

The RI Bylaws establish 34 zones which are composed of districts. For administrative purposes, zones are paired and share leadership and events. Our paired zones are Zones 33 and 34. The Georgia-South Carolina border divides Zone 33 on north from Zone 34 on the south. The RI board must review the composition of the zones at least every eight years to maintain an approximately equal number of Rotarians in each zone. So, what does a zone or pair of zones do?

A major function of zones is the election of directors of RI. There are 17 directors elected from zones who serve for two years. Zones 33 and 34 alternate electing a director. A director must be a past district governor. Representatives from each district in the zone comprise a nominating committee which selects a nominee for director. Clubs may nominate challenging candidates. The clubs in the zone then elect the person who will assume the office of director on July 1 about two years later.

Each year, the director of paired zones convenes a "zone institute" which is an informational, training and fellowship meeting for past, present, and future district governors. Currently, our institute is called a "Leader Summit." It is similar to a district conference with regard to information sharing and fellowship. And, training for incoming district governors is similar to the presidents-elect training seminar. In addition to the zone institute, directors often organize zone specialty training sessions for district leaders engaged in TRF activities, membership development, public image, etc. A zone institute is usually attended by the president or president-elect of RI and a trustee of TRF.

Each zone has a cadre of advisors to assist clubs and districts, including, Rotary Coordinators and assistant coordinators (specializing in membership and club development), Rotary Public Image Coordinators and assistant coordinators, Regional Rotary Foundation Coordinators and assistant coordinators, End Polio Now Coordinators, and various other advisors. Rotarians are encouraged to seek the assistance of these advisors. Their contact information may be found on the zone website at <https://www.rizones33-34.org/zone-coordinators/>.

District Committees ♦ What Are They and Why Should YOU Consider Serving?

By Brandy Lynn Swanson on Friday, February 5, 2021

Rotary District 6910 exists to SERVE the Rotary clubs in North Georgia. Districts are a resource, a partner to help each individual club reach ITS goals and aspirations for its local community. You are an active member of your club. You are busy making your community better, so why would you consider a role at the district level? Your involvement will make you, your clubs, and all the clubs in our district better, which makes our communities and, ultimately, the world better.

Using your gifts, talents and vocation at the district level gives clubs additional resources, ideas, and help that, in return, helps YOUR club and all the clubs in our district. My grandmother used to say, ♦Many hands make light work! ♦ Meeting other Rotarians, while sharing ideas and resources, makes us wiser and more effective in accomplishing our goals with manageable workload.

Please consider using YOUR gifts and talents in one of the following areas. Let Tina Fischlin, Mike Berg, Gerry Taylor, or me know if you are interested in serving. SEE THE LONG LIST OF OPPORTUNITIES:
