Rotary Program 05-16-2023 - Lindsay Dycus - Alcovy CASA

By Levi Bailey on Monday, January 30, 2023

Rotary Program 05-16-2023 - Lindsay Dycus - Alcovy CASA

Lindsay Dycus, the director of Alcovy CASA will share about the need for more CASA volunteers in Newton and Walton Counties. CASA volunteers are everyday people who have gone through training with the CASA program and who commit to handle one case at a time, advocating for and assisting with children in foster care. Currently, of the approximately 350 children in foster care in Newton and Walton Counties, only about 100 have a CASA appointed to their case. If you are interested in becoming a CASA, you can learn more at their website, alcovycasa.org.

Local Organizations Make Home Medical Equipment Available to Those in Need

By Fran Jackson Farias on Saturday, April 1, 2023

Dawson County (April 10, 2023) - Thanks to a collaborative effort among several community organizations, home medical equipment (HME) will be available to those in need in North Georgia. [Friends of Disabled Adults and Children \(FODAC\)](#), a statewide non-profit organization in Tucker, provides medical equipment and services to adults and children with disabilities. A collaborative effort between Executive director Chris Brand and Big Canoe Rotary President Fran Farias started last fall. Together with Big Canoe Rotary, Dawson County Rotary and Good Shepherd, we have set up *The North Georgia Mountains Home Medical Equipment Collection Center*. The **dedication**

date was **April 18 at 4pm** at the Good Shepherd Parking lot.

Big Canoe Rotary project chair, Dawn Clay, and Dawson County Rotary Club project chair, Patty Kurz, are organizing the project. The bulk storage container measuring 8 feet by 20 feet was delivered on February 16 by FODAC to the Good Shepherd Clinic parking lot. The Rotary Clubs' goal is to encourage other North Georgia Rotary Clubs to collaborate or establish a similar medical recycling project to help people access HME. The container is located near the crossroads of Georgia State Routes 53 and 400, in Dawsonville.

The project works this way:

To Donate HME: Items such as wheelchairs, rollators, and shower seats are collected for distribution by Rotarians who pick up items or coordinate drop off sites. For information to donate please call 470-789-0918. The gently used (HME) is inspected, sanitized, and stored for distribution in the bulk storage container. Equipment needing repair will be picked up by FODAC for refurbishment and distribution.

To Request HME: Individuals and agencies such as hospitals, clinics, social workers, area agencies on aging and centers for independent living can make a request by emailing donate30534@gmail.com. Rotarians then work to meet that need with the clean, gently used HME item.

Big Canoe Rotary partnered with The Big Canoe Community hosting 4 home medical equipment drives on "Bulk Trash Days": **January 28, April 29, July 29, October 28.**

For more information about the project contact Big Canoe Rotary or Dawson County Rotary or to donate: email donate30534@gmail.com or call 470-789-0918.

Rotary District 6910 strives for Environmental Sustainability

By Anu C. Narula on Saturday, April 1, 2023

Rotary International has deemed April's theme Environmental Month. Rotary shift the themes for 2023 after adopting the environment as the seventh area of focus. Take a second to read this informative article about some of the work happening in our district that strives to make an impact on the environment.

The Sustainable Splendor of Hydroponic Gardens in Rotary District 6910

By Anu C. Narula on Friday, May 5, 2023

The service of creating sustainability in a community might not be captured in a better way than what the Rotary Club of Lake Chatuge is doing through their hydroponic garden project. If you haven't heard about this project before, then take a moment to see the work of people of action. If you have, then read this update on what is happening in the northern reaches of our state.

Lake Lanier Area Clubs Partner to Promote Water Quality Awareness

Monday, March 6, 2023

Four years ago this May, Jeff and Jess Williams were enjoying Don Carter State Park and swimming in Lake Lanier with their three sons, including their youngest, Justus. In the days following, Justus started to get sick and doctors told them that the illness should pass. But the boy's condition worsened. He developed an infection and died less than two weeks later. The couple didn't know how it happened until they saw a news report in June that River Forks Park was shut down for high E. coli levels, and they realized that their 2-year-old son must have been swimming in risky waters. Learn how this unfortunate event, became the inspiration behind this Rotary club project centered around water quality in our communities.

Join in the fun for Rotary International Convention in Melbourne from your Home!

By Amanda R Groover on Monday, March 6, 2023

We would like to invite you to be involved with a film for the Rotary International Convention 2023.

It will be wonderful to have as many people as possible involved. If you're happy to invite others to participate that would be great. We are very keen to demonstrate the global influence of Rotary and to represent diversity, equity and inclusion. A guide film has been created with instructions and for use as a guide track. This can be found at <https://www.illaraart.com/rotaryfilm>.

Thanks for your support and for all the work you do to contribute to Rotary.

This is a project of the Melbourne 2023 Rotary International Convention Host Organizing Committee Incorporated

District 6910

JEREMY ECHUCK

.....

Finances, Farming, and Fun!

@rotarydistrict6910

MEET OUR MEMBERS SERIES

As we turn the page to the Month of May, Rotary International places a special focus on youth service. Therefore, our District leadership want to introduce you to a person who places a special focus on youth service all year round. If you haven't met Jeremy Echuck, then take a moment to get to know him above and beyond being that "Interact Guy".

Did you catch the train to Chattanooga?

District 6910 Rotarians sold out DG Gerry Taylor's 2023 conference in Chattanooga. Here is just a snippet of amazing opportunities over the long weekend away - [Read More](#)

***May Message from DG Gerry**

By Amanda R Groover on Sunday, May 7, 2023

GET ON BOARD...

MONTHLY MESSAGE FROM DG GERRY TAYLOR

The month of May is Youth Services Month in Rotary. It is a month that we celebrate our Early Act Clubs, our Interact Clubs and our other youth services. District 6910 has generated several new Early Act, Interact and yes, even new Rotaract Clubs this year. We are extremely excited for our new partners.

RYLA takes place at the end of May. Rotary Youth Leadership Academy is an opportunity for roughly 70 High School students to take part in a weekend of leadership and team building activities. If you haven't visited RYLA before, I invite you to stop by and see these amazing young leaders in action. They will appreciate your interest.

At the end of April, we attended our District 6910 Annual Conference in Chattanooga. I hope everyone enjoyed the comradery and activities. We celebrated individual achievement and club achievement. I appreciate all of you who attended and to our fantastic District Conference volunteers! It was 3 years in the making, and our team was led by District Conference Co-Chairs Peter Gleichman and PDG Shane Burr. What a great effort they put in. Their leadership provided an outstanding Conference. Thank you! Congratulations to all the clubs and individuals that garnered awards.

Lastly, as we approach the end of the Rotary Year, please make an effort to focus on membership retention in your clubs. District 6910 has an opportunity to finish the Rotary Year as the number 1 District in our Zone and in North America for net new members. What a feat that would be!

Thanks to all for your leadership!

DG Gerry
