Rotary Program July 23rd - Covington Fuzz Run

By Levi Bailey on Monday, July 10, 2023

Sergeant Contrareus Robinson with the Covington Police Department, We are excited to announce that the time has come again, to celebrate the Annual Covington Police Department's Fuzz Run here in the beautiful historic city of Covington, GA. The Fuzz Run serves as the primary source of income for the Police Who Care Fund and annually, the fund contributes to the American Cancer Society's Relay for Life, Special Olympics, YMCA, Project Renewal, Miracle League, and Shop with a Cop. In addition, the fund contributes to the beneficiaries of every Georgia law enforcement officer who dies in the line of duty.

We strive to make a change and a positive impact in your community, our community. So, when disaster strikes the PWC also helps City of Covington employees. To the mother of three kids with no power or food or the father taking care of his father who shows up at the police station because they are hungry and he did not know where else to go, PWC fund helps us meet those needs.

We are sharing this Sponsorship Brochure with you because your dynamic work and support in the community have not gone unnoticed and we wanted to invite you to partner with the Covington's Police Department and The Police Who Care Fund L.L.C. (PWC) to not only continue to make this event stellar but to financially Help Us, Help Others.

This event/race would not be possible without our community involvement, donations, and sponsorship from wonderful organizations. We are asking you to honor us with your continued support or become a new Sponsor for a great cause. On Behalf of Chief Phillip Bradford and the men and women of the Covington Police Department, thank you for helping us go beyond a 911 in building a stronger community by Helping us, Help Others.

If you have any questions, please call me at (770-385-2127) or email me at Contrareus.Robinson@covingtonpolice.com.

Hitting the Ground Running: New District Membership Committee

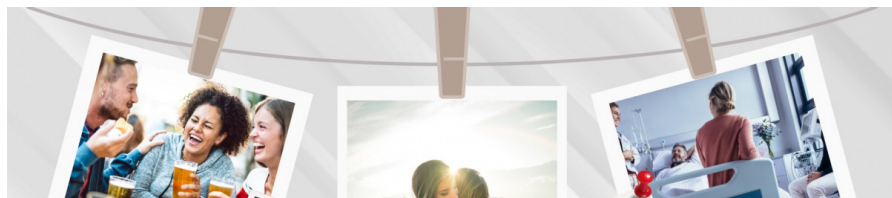

By Mark M. Valentine

Way back in November 2023, DGE Bobby Hildreth commissioned a small ad hoc committee to explore ways a district membership committee could play a more impactful role in driving membership growth and reducing attrition throughout the district. The model for this endeavor was the district's Foundation Committee, which has been very well-established and accountable for many years. So with that template in mind, the Ad Hoc committee set out to wipe the slate clean and come up with a new approach that also focused on incorporating great ideas and best practices from the larger Rotary world. Have you ever wondered what binds us together as a 1.4 million-strong global family of Rotarians? It's pertinent to cite the view of R.I. President (2024-25) Stephanie Urchick as an answer to this rhetorical question. "Believe in the magic of Rotary. Spread the magic of Rotary. Build on the magic of Rotary.
