When new members join The Rotary Club of Covington, the club asks that they give a classification speech sometime during their first year of membership. Rotary uses the classification system to categorize each member's chosen vocation or profession, and our club strives to seek a balanced representation of the business and professional landscape of our community.

Dear Rotary of Covington ~~the~~ thank you for  
~~Spending~~ me selecting me to go to Ryla Camp.  
 The past 4 days were fun from talking to people  
 to white water Rafting. I have learned a lot  
 about leadership, there have been Speakers  
 talking about the best ways to lead people. Thank  
 you <sup>the people</sup> again for selecting me for Ryla, so I can  
 lead Covington to be the best people.

from - ~~Emerson Sheldon~~

Dear Covington Rotary,

Thank you so much for selecting me for  
 RYLA! I have had so much fun and  
 met so many people. Everyone here is  
 genuinely kind and wants to talk to  
 you. I have been able to become a  
 nicer and more considerate leader. Not  
 only did I have fun ziplining & white water  
 rafting, but I even enjoyed simple things like  
 make bracelets. Again; thank you for this opportunity!

We started as a community of four men in 1905 in Chicago, Illinois, and have now grown into a diverse global community of 1.4 million Rotarians and Rotaractors belonging to more than 46,000 clubs in 529 districts (split into areas) spread across 34 zones in six continents around the world.
