## Rotary Program October 31st, 2023 - Bill Bates

I was born to Cathy and Johnny Bates of Covington Georgia in December of 1980. I went on to graduate from Eastside High school in 1999 earning a baseball scholarship to Perimeter College where I played for a year. After that year I transferred to Georgia College and State University where I played for another 2 years. I later graduated from Point University with a degree in Human Relations.

After graduation I worked at Madison Consulting group for approximately 5 years before deciding to seek something different. Shortly after leaving Madison Consulting I began Green Works Landscaping. Also during this time my wife began Sweet River Boutique which would later find its home location on the Covington Square. After years of landscaping, tree work, and retail. Life was once again calling me in another direction so I sold Green Works to pursue my passion.

I returned to school at Health Life Coach Institute for approximately a year to build on the Human Relations degree I already possessed. I became a Certified Health and Life coach in July 2022! I opened Greater Things in August of the same year. As a health and life coach I work with a variety of clients on a variety of topics. I help clients thru a transformational form of coaching. I help clients overcome fears of opinions, failure, disappointment, rejection, and a list of other things in order to live the life they want and dream of! It's been said that the hardest thing we will ever do is become more of who we really are! Well I help people become more of who they really are!

I must mention my beautiful wife Tiffany Bates who owns and operates The Soap Box located on the Covington square. I also have three sons Landyn Bates age 20, Talyn Millard age 17, and River Bates age 10.
