Rotary Program 2-26-19 - Covington Speaker: Newton County Strategic Plan

By Joseph Davidson on Monday, February 25, 2019

In response to the themes identified in the Stakeholders Needs Assessment, a planning team of community leaders, members of the Newton County Board of Commissioners and the Department Heads of Newton County government immersed themselves in the creation of this Newton County Government Strategic Plan which addresses many of the needs expressed by the Stakeholders in the Needs Assessment. This Core Planning Team, from April 2018 - January 2019 spent hundreds of long, arduous hours researching, reviewing, writing, delving into thoughtful discussion and healthy debate and regularly engaging with the community.

Newton County's Vision Statement

Newton County is a thriving community united through strong relationships and partnerships.

Newton County's Mission Statement

Newton County is a safe, well-planned community that respects and values an informed citizenry, embraces diversity, preserves natural resources, and cultivates economic and social opportunities.

Rolling on the River August '18 Conference Update

District Governor Bruce Azevedo is a great believer in teamwork. Teamwork is vital to Rotary. Rotary cannot achieve complete success without the participation and cooperation of all members of the team. We would like to have all team members attend Rolling on the River District Conference May 2-5, 2019. District Conference brings our clubs' successes full circle. Here, you will inspire your fellow Rotarians with what you and your club are doing and you will be inspired by them.

If you've been to a district conference before, we are bringing back a few traditions: cookie breaks, local service project, child care during the dinners, and clubs will have the opportunity to share their outstanding projects. There will be group activities or you can visit Greenville on your own. Click [here](#) for information on Greenville and all it has to offer.

Who knows? Maybe there will be new club traditions started on Saturday, May 4 with clubs inviting their conference attendees to lunch with ample time afterwards to explore Greenville.

Due to the success from last year's conference, we will offer again a 1st time Attendee Session on Thursday, prior to the official start of the conference, to learn about expectations at a District Conference.

Some new additions to District Conference this year will be themed dinners, promotion of sponsorships, and lots of fun that will be happening in our House of Friendship.

Click [here](#) for conference agenda or visit Rotary6910Conference.org/Agenda.

Click [here](#) for sponsorship information or visit Rotary6910Conference.org/Sponsors.

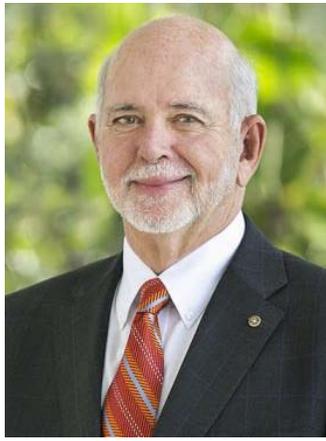

As your District Conference Chair, I am committed to ensuring that you have the best conference experience ever! Bring the family and enjoy an incredible, entertaining weekend in beautiful Greenville, South Carolina.

Be the Inspiration. See you in Greenville May 2-5, 2019.

RI President's Febuary Message

By Joseph Davidson on Friday, December 1, 2017

Barry Rassin

President 2018-19

February 2019

In my travels over the past year, I've visited many strong, vibrant clubs and districts that are transforming their communities. When I attend their meetings, I can feel the energy. When I meet their members, I can see they are people of action. And when I look at their communities, I can recognize the impact of their work.

I've also visited communities with Rotary clubs that were hardly more than social clubs. It shouldn't ever be that way. Fortunately, there's a simple approach that I believe can help revitalize any club.

I'd like to challenge every Rotary club to come up with at least one high-impact service project. Each club already has the potential, the resources, to make it happen. It has the power to change people's lives **◆** completely.

It doesn't take millions of dollars. One of the most transformational projects I've been a part of involved providing a Jeep to a group of midwives in Haiti. We had asked the midwives what we could do for them, and they told us they needed a way to reach expectant mothers in a remote part of the country. We supplied a Jeep, painted it pink, and put the Rotary logo on it. Three years later, we went back to see how they were doing. They were excited by the outcomes: They told us that the mortality rate for mothers and infants in that region had dropped by 50 percent.

That's what I call transformational service.

But Jeeps don't last forever, and after eight years on the road, that vehicle was on its last legs. So we bought a pink Land Cruiser. It's still on the road, allowing the midwives to provide prenatal care to women in that remote region.

What makes a project transformational? It doesn't have to involve a lot of money, but it has to reach people and have a major impact in the community. That is the key, and that is where careful planning and thorough research come in. So do your research. Leverage your resources. Seek partnerships that can increase your impact. And then take action.

Of course, service is only part of what a strong club must offer. It must also have good speakers, provide leadership development, involve Rotaract and Interact, and bring value to its members and reasons to participate in Rotary events.

If your club is transformational and well-organized, everything else will follow. Members will be engaged, and new members will be eager to join you. Fundraising will be easier: People love to give when they see how their money is making a difference and when they know the organization is accountable. Your club will be vibrant, relevant, and alive **◆** and it will *Be the Inspiration* to those within its ranks as well as to the community it serves.
