District Governor Bruce Azevedo is a great believer in teamwork. Teamwork is vital to Rotary. Rotary cannot achieve complete success without the participation and cooperation of all members of the team. We would like to have all team members attend Rolling on the River District Conference May 2-5, 2019. District Conference brings our clubs' successes full circle. Here, you will inspire your fellow Rotarians with what you and your club are doing and you will be inspired by them.

If you've been to a district conference before, we are bringing back a few traditions: cookie breaks, local service project, child care during the dinners, and clubs will have the opportunity to share their outstanding projects. There will be group activities or you can visit Greenville on your own. Click [here](#) for information on Greenville and all it has to offer.

Who knows? Maybe there will be new club traditions started on Saturday, May 4 with clubs inviting their conference attendees to lunch with ample time afterwards to explore Greenville.

Due to the success from last year's conference, we will offer again a 1st time Attendee Session on Thursday, prior to the official start of the conference, to learn about expectations at a District Conference.

Some new additions to District Conference this year will be themed dinners, promotion of sponsorships, and lots of fun that will be happening in our House of Friendship.

Click [here](#) for conference agenda or visit Rotary6910Conference.org/Agenda.

Click [here](#) for sponsorship information or visit Rotary6910Conference.org/Sponsors.

As your District Conference Chair, I am committed to ensuring that you have the best conference experience ever! Bring the family and enjoy an incredible, entertaining weekend in beautiful Greenville, South Carolina.

Be the Inspiration. See you in Greenville May 2-5, 2019.

Camp Sunshine June 16th and 23rd

By Joseph Davidson on Wednesday, April 10, 2019

Camp Sunshine June 16th and 23rd

Camp Sunshine is for children with cancer. The 16th will be for the teens, ages 13-18 and the 23rd will be the juniors ages 7-12

We will be greeting campers and passing out drinks for Camp Sunshine at Camp Twin Lakes in Rutledge. We will need a couple volunteers or so to help setup in the morning. We can use as many as possible to greet campers. Times will be announced as we get closer.

Franklin Rotary Club donates swing to Chez Hope

By Joseph Davidson on Monday, April 22, 2019

Chez Hope's Franklin location received a new swing set, March 22, donated by Franklin Rotary and assembled by EnLink Midstream. The swing set was purchased through a Rotary District 6200 grant awarded to the Franklin Rotary Club, and secured as a community improvement project. ♦We are so happy that we were awarded this grant, ♦ stated Dawn Kaiser-Melancon, president of Franklin Rotary Club. ♦Rotary believes in giving back to the community. It is great knowing we can make a difference for area children who may have to stay at Chez Hope for a short period of time. ♦ Kaiser-Melancon also said that Franklin Rotarians are getting ready to submit two more grant requests at the district level, and hope they can get them funded as well. ♦We want to bring some of the district money back to Franklin, and help some of the projects and organizations in our area. ♦

Antioch Rotary Club Host Successful Bunny Hop 5K Race

By Joseph Davidson on Monday, April 22, 2019

On Saturday, the Antioch Rotary Club hosted their 4th Annual Bunny Hop 5k which had more than 350 runners participate in the event.

Some of the participants included runners from local high schools, the Antioch SWAT team from eh Antioch Police Department, Antioch City Manager Ron Bernal, Antioch Director of Parks & Recreation Nancy Kaiser and Antioch City Councilwoman Monica Wilson.

The 5K event included a kids run where kids ran against Antioch Police Chief Tammany Brooks. There was also many vendors along with the Easter bunny and turtle.

The money raised from this event is put into Scholarships and Programs for the Antioch Unified School District!

Note ♦ the 354 number is those that had actually competed in the race, more than 420 people signed up.

RI President's April Message

By Joseph Davidson on Friday, December 1, 2017

Barry Rassin

President 2018-19

April 2019

Every two minutes, somewhere in the world, a woman dies from preventable causes related to pregnancy and childbirth. And babies whose mothers die within the first six weeks of their lives are far more likely to die themselves than babies whose mothers survive. As I've traveled around the world as president of Rotary, I've met families for whom these aren't simply tragic statistics. But I've also met people who are devoting themselves to helping mothers and children ♦ and because of them, I'm hopeful. And because many of those people are Rotarians, I'm also proud. April is Maternal and Child Health Month in Rotary, so it's a perfect time to tell you about some things Rotarians are doing that will make you proud too.

Last fall, I paid a visit to a hospital in the town of Jekabpils, in Latvia. It's a modern hospital, and the doctors and nurses there are caring, dedicated, and skilled. But despite all their hard work, the maternal mortality rate at the hospital had remained stubbornly high, due to a factor that was beyond their control: a lack of vital diagnostic equipment and even basic items like incubators.

And that's where Rotary came in. Twenty-one clubs from around the world joined forces for a global grant that provided what the hospital required. And in September, when I walked into the maternity ward there, I saw state-of-the-art equipment, and I met patients who were getting the care that they needed ♦ and that every mother and child in the world deserves to have.

In Brazil, club members worked with fellow Rotarians in Japan on a global grant project that dramatically increased the capacity of an overstretched neonatal intensive care unit. New incubators, monitors, and other equipment have enabled the local hospital to save many more babies' lives each year.

And in Mongolia, a vocational training team from New Zealand organized instruction in emergency response techniques for doctors and midwives, set up a program that taught midwives modern best practices, and researched and wrote a culturally relevant childbirth education manual. Between 2013, when the team first went to Mongolia, and 2017, the neonatal mortality rate in the country fell from 11.2 to 9.1 per 1,000 births, and the maternal mortality rate has decreased as well.

That's what I mean when I talk about transformational service, and it's what Rotarians do best. Because of our networks, which span the globe; our community presence, which allows us to see what's most needed; and our expertise, which encompasses countless skills and professions, we're able to serve in a manner that has no equal. And we're able to *Be the Inspiration* as we help those who need us most.
