Camp Sunshine Newsletter

By Joseph Davidson on Thursday, June 1, 2023

Camp Sunshine is having their camps for kids with cancer this year on the week of June 18th for the teams and the smaller kids will be June 25th.

This came from their Camp Sunshine Newsletter for Spring 2023

CAMP SUNSHINE POSTCARDS

COMMUNITY PARTNER

Good Southern Hospitality – For 30 years the Covington Rotary Club has provided a refreshing welcome to campers and families

At around 9:00 on the first morning of Junior Week and Teen Weeks, members of the Covington Rotary Club enter the registration area loaded down with snacks and drinks. They fill up large tubs with ice and begin the process of getting the bottles of water and cans of soda cold. They spread packages of cookies and bags of chips and other snacks on a large table.

A few hours later, when the campers and their families come into the hall to register for camp, cold drinks and snacks are ready for them to enjoy.

It's a tradition that has been going on for 30 years.

In 1993, when Camp Sunshine moved to its permanent home at Camp Twin Lakes in Rutledge, Executive Director Sally Hale contacted area Rotary Clubs for support. The Covington Rotarians stepped up. And they have been showing up every year since.

"We don't have any problem getting volunteers," says Brad Bettis, a long time Rotarian who now coordinates the club's efforts each year. "Our members know that if it's June, it's time to volunteer for Camp Sunshine."

The Covington Rotary Club has made it into a family affair, with members often bringing their children along to help. In fact, Brad's son and daughter have been helping

out as long as he has, and now his daughter brings her own children to be part of the fun.

The support the club provides to Camp Sunshine extends beyond refreshments and volunteers. They also have made financial contributions to the Camp Sunshine, which is built into the budget. Brad says the relationship with Camp Sunshine is woven through the fabric of the organization.

"We look forward to this every year," Brad says. "It's a special two weeks for us as a club. To see the smiles on the kids' faces as they get there and reunite with their friends is just a joy. You don't want to miss it!" *
