[George S. Barnett](#)  
iPast President

## This Week: Junior Achievement And Dalton's Future

This week's presentation will be from a familiar face to business leaders in Dalton. Anna Adamson, Junior Achievements' Director of Development for Northwest Georgia will join us to talk about the work that JA is doing in our community to prepare the leaders of tomorrow and also how they are expanding their programs. The new JA Discovery Center at Hammond Creek is an amazing asset for our community and they need volunteers to come help students find their way through Biz Town.

Anna will be joined by program associate Caroline Frost from Junior Achievement. She is the director of volunteer partnerships and experience at JA. She is a Dalton State College graduate and got her start at the Dalton Chamber of Commerce.

## Meeting Recap: The Rotary Foundation's Work

Past President Ricky stepped in to lead the meeting last week. We got a refresher on the good work that the Rotary Foundation does and how we are making an impact globally with our giving. In the spirit of giving back, Bill Bowen has been leading the charge in the annual bell ringing for the Salvation Army. We have had several Rotarians volunteer to ring the bell! Our Mega Christmas Giveaway is still going on with Jack's Pawn & Gun – it's not too late to buy or sell tickets. Finally, for the announcements, Larry Winter presented a check on behalf of the GRSP program as part of their subsidy of our GRSP student.

The mission of the Rotary Foundation is to enable Rotary members to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing sustainable projects. Polio eradication is Rotary's top philanthropic priority. Since starting the PolioPlus program in 1985, more than 2.5 billion children have been immunized against polio and today, polio remains endemic in only two countries. The Rotary Foundation offers grants that support the seven areas of focus: basic education and literacy, community economic development, disease prevention and treatment, maternal and child health, peacebuilding and conflict prevention, and water, sanitation, and hygiene. These grants allow clubs to make an impact in their community as well as globally. Each year, our club uses grants to fund the Northwest Georgia Technical College GED program. We have had great success and are able to provide funding for those taking the GED exam. Our club has consistently been a Every Rotarian, Every Year club which means that 100% of our club members donate to the Rotary Foundation. Through our annual giving we are able to make an impact on our community as well as globally.

## December 13th Birthdays and Anniversaries

Member Birthdays	Birthday
Barnwell, William L (BILL)	14-Dec
Sponcler, Maurice M. Jr. (MAURICE)	17-Dec

Partner Birthdays	Member Name	Birthday
-------------------	-------------	----------

Poehlman, Sally  
Barnett, Tammy (TAMMY)

Poehlman, John H.  
Barnett, George S.

17-Dec  
18-Dec

**Member Anniversaries**

Minor, John Thomas V(JOHN)

**Start Date**

12/17/2013

**Years**

9

**Wedding Anniversaries**

Bailey, Philip Bates (BATES)

**Partner's Name**

Dell

**Anniversary**

18-Dec

**Years**

51
