This Week: Economic Development Bus Tour

This week, we won't be having our usual meeting and instead we will be taking our economic development bus tour. Weather permitting, we will be meeting at 11:45 am at First Baptist Church and we'll be returning at 1:15 pm. Box lunches will be provided or everyone who is taking part. We do have some bad winter weather in the forecast, though, so if we need to cancel the trip and reschedule we will contact participants.

Meeting Recap: Health and Wellness Methods

Last week, January 9th was our first meeting of the year, and it was packed with announcements and fellowship! President Lynn announced that we officially closed Ukraine donations by raising a total of \$14,125. These funds will go towards building modular homes for those displaced by conflict. Ricky Roberston announced that we collected about \$14,000 from our annual fundraiser with Jack's Pawn Shop. Next, Bruce Satterfield announced that this year's Ronnie McClurg track meet will be held on March 23rd. The meeting continued with a Rotary minute presented by our newly inducted member, Kristina Horsley. Cherri Robertson then awarded Kris her blue badge. Announcements concluded with President Lynn awarded a Paul Harris Fellowship pen to Judy Elliott, Judson Manly, Paul Henson, Frank Hogshead, and Lynn Laughter.

We welcomed Stacy Welch and her daughter, McKenzie to our club. Stacy has been a registered nurse for 26 years. 22 of those years were spent in labor and delivery, while the rest were spent in emergency medicine, operating rooms, intensive care, and home health among other areas. Stacy's insight into the need for home IV fluids during her work with home health patients inspired her to establish an IV hydration clinic. She has successfully opened a clinic in Calhoun and offers services both at the clinic and remotely, catering to patients at their homes or at events. Stacy concluded with valuable health tips, emphasizing the importance of handwashing, and staying hydrated.

We are looking forward to another year of great programs!
