International Service Chair

Kelly McDonald Jones
Rotary Foundation Chair

Alex C. Brown
iPast President

This Week: AG's Visit

This week, we're honored by a visit from our district's Assistant Governor, Jackie Killings. Jackie is well known by many in Dalton and is a member of the Carpet City Rotary Club, perhaps better known as the Morning Rotary Club in Dalton. Jackie will be giving us an update on some of the missions that Rotary is engaged in this year and discuss a visit from our District Governor.

Jackie is a co-founder of K & M Technologies – a technology and innovation scouting firm that connects entrepreneurs and start-ups with established corporations. She is also the founder and President of Khensani – an organizational management and training firm that helps organizations unlock their potential and bring better value to their employees and customers.

Jackie is originally from Livingston, AL and came to Dalton in 2008 to work as an engineer in Research and Development for Mohawk Industries. She is passionate about serving her community and uses her problem-solving skills in her volunteer work with multiple organizations throughout Georgia and Alabama.

Jackie joined the Rotary Club of Carpet City in April 2011 after volunteering with the club at local Special Olympics events. That volunteer opportunity and invitation to join have propelled her Rotary career beyond what she imagined. She has held multiple roles in her home club, including president twice, served on the district's board of directors for 3 years and last year, was asked to attend a Zone 33/34 Emerging Leaders summit. She is currently the Assistant Governor Area 1 for Rotary District 6910, serving the Rotary clubs of Calhoun, Carpet City and Dalton.

Jackie lives in Dalton with her dogs Zeus and Dash and her nephew Jalon. In her spare time, she enjoys reading, hiking, and being around people who make her world better.

Meeting Recap: Sheriff Chitwood

Last week we welcomed a familiar face, Sheriff Scott Chitwood, as our speaker. President Lynn introduced Sheriff Chitwood as "one of her favorite people". Chitwood began his career as a Whitfield County deputy in 1975 and eventually was elected as Sheriff in 1992. Throughout his tenure Sheriff Chitwood has collected many stories, some good, some bad, and some entertaining. During his program, he shared with us his "list" of humorous stories he has collected over his career. We all shared a laugh as Sheriff Chitwood shared his stories with us. Stories such as someone calling him at home asking him what the weather forecast was, looking for information on a crime that happened in another county, and many others! Sheriff Chitwood clarified that he enjoys these stories as much as anyone and in no way is criticizing any members of our community. We enjoyed sharing a laugh with Sheriff Chitwood!
