Concierge Medicine: A more personal type of care

August 21, 2023
Featured Speaker
Dr. Margaret Grifa

Concierge Medicine

CREATE HOPE
in the **WORLD**

Margaret Grifa, MD, has more than 15 years of experience and is excited to bring Concierge Medicine to Northeast Georgia Physicians Group! Dr. Grifa is a graduate of the University of Georgia, and earned her medical degree from the Medical College of Georgia in Augusta, Georgia. She went on to complete her residency at Marshall University Family Practice in Huntington, West Virginia. When she's not taking care of patients, you can find her in the air, flying a single engine airplane, or on the ground spending time with her husband and taxiing her three children around to Boy Scouts and their many other activities.
