SEPTEMBER 12, 2022

A TIME TO SERVE TOGETHER

Celebrate Community, a joint initiative of Rotary International and three other major volunteer service organizations, will continue this year with a focus on local community service. Events are scheduled for the week of September 11-17, 2022.

The organizations, Rotary International, Kiwanis, Lions Clubs International, and Optimist International collaborated during the past 18 months to share ideas for future projects. This first public effort encourages local clubs to reach out to one another for collaboration on projects that improve and benefit their communities.

Conducting joint service projects allow community members who are serving in different clubs to learn more about each other, their organizations, and their combined efforts to help children and adults that need our help

Rotary Club of Gainesville is partnering with the Gainesville Kiwanis Club to fill the food donation box located at the Gainesville Housing Authority.

Please bring donations of in-date, non-perishable food items to our meeting on Monday Sept. 12, 2022.
