Tuesday, September 27th, Shelley Tanner, Hope 139

By Dean Bright on Friday, September 23, 2022

Shelley is a graduate of the University of Georgia with a degree in Health Promotion and Behavior, and of Emory University with a degree in nursing. She is a registered nurse and has worked in health education at Teen Matters in Clarke County. As an adoptive mom and friend to many foster parents, she has seen the need to serve not only the child, but the biological mother as well. Through work with ministries such as Kupendwa and the Mercy Health Center, Shelley's passion for those in need of housing, support, and training has grown. She believes that helping the mother and providing pro-life support options at all stages of motherhood is the way to help future generations.
