Tuesday, February 20th - Congressional Update: Congressman Mike Collins

BIO

As the Representative for Georgia's 10th Congressional District, Mike Collins brings decades of experience as an entrepreneur, businessman, and employer to Congress. He and his wife Leigh Ann started a trucking company in the early 1990s that has grown to employ more than 100 Georgians and hauls freight all over America. Mike has also served on the board and as Chairman of one of Georgia's largest credit unions and president of his local Chamber of Commerce. That experience informs Mike's top policy priorities, which are to cut wasteful spending and take onerous regulations off the backs of small business owners so our economy can grow and hard-working Americans can thrive.

Representative Collins was born, raised and still resides in Jackson, Georgia. He graduated with a business degree from Georgia State University. He and Leigh Ann have three grown children and four grandchildren.

Rotarian Highlight - Daniel David Quillian

Daniel David (D.D.) Quillian, I was born and raised in in Athens and attended and graduated from Clarke Central High School. After H.S. I attended West Georgia College and received a bachelor's degree in finance. Upon graduation, I was hired by Athens Federal Savings and Loan, and I have worked in the banking industry for my entire career. I am currently employed by American Pride Bank where I am a Commercial Relationship Manager. I originally joined Rotary in October of 2004 and was a member of the Monroe Rotary Club for 13 years and have been a member of the Oconee Club for 5 years. I am married to Leah Quillian, and we have been married for 31 years. For fun, we enjoy going to the mountains and hiking to different waterfalls and visiting pottery studios. We have two Daughters, Kellyn who lives in Phoenix AZ and Caroline, who lives in Roswell Ga. They are both are employed by the same company working in the field of finance. I enjoy being outside and especially in the field. I am a traditional archer and primitive bow maker as well as well as a hunter. Most weekends when it is not hunting season you will probably fine me at a traditional archery shoot or on a long walkabout in the Oconee National Forest. One thing most people do not know about me is that when I was in high school, I had a pet buzzard named Buzz that I hand raised.
